Pamela May Finnegan

Un Mundo De Monstruos:

Un mundo de monstruos, 2003 Sulley Mike and Boo set out on another adventure This time they find out how other children around the world play or have fun Donde viven los monstruos Maurice Sendak, 1966 A naughty little boy sent to bed without his supper sails to the land of the wild things where he becomes their king *The Tension of Paradox* Pamela May Finnegan, 1992 Pamela Finnegan provides a detailed criticism of a major novel written by one of Chile's leading literary figures She analyzes the symbolism and the use of language in *The Obscene Bird of Night* showing that the novel's world becomes an icon characterized by entropy parody and materiality Her study concludes that all linguistic ordering fictionalizes that the lack of spirituality within the novel's world is symptomatic of language gone stale and that blindness to this fact leads to dogma or solipsism each counter productive to communication and human endeavor To revive the linguistic system she argues we must revive the creative power of language Actas Argentina.
