McLelland,2005-07-08 This book is the first to look at the wide range of contrasting images of the gay male body in Japanese popular culture both mainstream and gay and relate these images to the experience of an interview sample of Japanese gay men In so doing it touches on a number of important issues including whether there can be a universal gay identity and whether or not strategies developed for increasing gay and lesbian visibility in western countries are appropriate to the social situation in Japan **Bollywood Uncensored** Derek Bose,2005 Censorship is a bad word It raises visions of dirty old men armed with scissors waiting to snip at any film that comes their way with no apparent provocation That the practice militates against the spirit of liberty and the right to freedom of expression is an issue that concerns every right thinking individual in a progressive democracy The opposing view to this is that no freedom can ever be absolute and must necessarily be accompanied by appropriate checks and controls In the absence of a self regulatory mechanism within the Indian film industry a third view is also gaining currency the Central Board of Film Certification or CBFC can at best play an advisory role and rather than censor must rate films according to their suitability This book dwells into various aspects of the social discourse and raises some disturbing questions on issues like the government playing moral police inconsistency in interpreting the censorship guidelines liberties filmmakers take in glorifying sex and violence role of the public at large the feminist perspective on denigrating women on screen politicization of the censorship process It also offers some options by way of comparisons with the censorship norms prevailing in other leading filmmaking countries across the globe Effectively the book gets to the bottom of the censorship process and illustrates how it impacts both cinema and society in many different ways With rare photographs from several controversial Bollywood films and details of scenes deleted by censors
