**Yesterday's Friends** Pamela Evans,2010-02-04 One night One decision A lifetime of consequences Yesterday s Friends is a thrilling saga of love sacrifice and hope in which Pam Evans once again creates a truly captivating tale of life in 1950s London Perfect for fans of Sheila Newberry and Cathy Sharp One blissful night of romance at an end of term party in the summer of 1951 changed the course of Ruth Brooks life for ever The brightest girl in her class Ruth had planned to attend college but the realisation that she was pregnant forced her to abandon all hopes of a career Now five years later she still lives in Shepherd s Bush with her parents twin brothers and daughter Jenny Conscious of a need to make ends meet Ruth works as a shop assistant at the local chemist while her mother looks after Jenny Ruth s best friend Kitty bitterly resents what has happened but never once does Ruth regret the outcome of that magical night And the joy that Jenny brings is ample reward for the sacrifices she has made Ruth meets someone new and tries to put the past behind her but yesterday s friends have an uncanny way of catching up with her and when Jenny s father turns up unexpectedly Ruth s world is thrown into confusion once again What readers are saying about Yesterday s Friends Loved the story couldn t wait to get to the end Very good in all aspects of the story Would recommend it for easy reading Covers a lot of life s realities and how to deal with them
