

YOU MIGHT BE A GEEZER IF:

Everything hurts, and what doesn't hurt, doesn't work anyway.

You get winded playing chess.

Your children begin to look middle-aged.

You know all the answers, but nobody asks the questions.

You look forward to a dull evening.

You feel like you really hung one on the night before, and you were in bed asleep by eight.

You know what a newspaper is.

You sit in a rocking chair and can't get it going.

Your knees buckle and your belt won't.

You stop looking forward to your next birthday.

Your back goes out more than you do.

A fortune teller offers to read your face.

You turn out the lights for economic reasons rather than romantic ones.

You are startled the first time you are addressed as "Old Timer".

You answer automatically when someone addresses you as "Old Timer."

Your server gives you the senior discount without you having to ask for it.

"Burning the midnight oil" means staying up after 9:00 pm.

You sink your teeth into a steak and they stay there.

Nap time is any time after a meal.

You have too much room in the house and not enough in the medicine cabinet.

You get your exercise acting as a pallbearer for your friend who exercised. |
