**So Long, Tangier** Carlos Sanz, 2011-11-28 Henry Haskins an elderly Englishman has seen his beloved Tangier change over the years From its earlier incarnation as a quiet colonial outpost he has been a steadfast witness to its transformation into an international hub populated by peoples of diverse nationalities races faiths and customs who have found a way to live peacefully together Now he has watched Tangier as it was integrated into an independent Morocco Then one day he makes a fateful phone call and finds himself under arrest During his life he has been gripped by two impossible loves and suffered tragedy Throughout it all he loved this complex and cosmopolitan city even when it stopped loving him In many ways Haskins is the human embodiment of a time and a place in history that is lost forever The life of Henry Haskins his struggle with the loss of his paradise and finally his solitude portrays the emotions and fate of those who once called this extraordinary city home
