The Sibling:

The Sibling Relationship After Acquired Brain Injury Penelope Analytis, 2021-06-10 This important book gives a voice to the lived experience of siblings and family members when one sibling has an acquired brain injury ABI ABI is associated with a range of physical cognitive behavioural and personality changes many of which will be lifelong Penelope Analytis examines how this condition affects the sibling relationship Although siblings play an important role in our sense of identity development and wellbeing this relationship has been largely overlooked in the context of rehabilitation Combining research with stories of siblings experiences of life after ABI this book explores how siblings seek to continue their relationship across the lifespan and make sense of the impact of ABI It looks at the concept of post traumatic growth within the context of ABI and explores siblings perceptions of growth after ABI including shaping their life priorities family relationships and values It includes the perspectives of siblings themselves who have an ABI recognising them as active members of this unique relationship and of siblings of people with an ABI This is valuable reading for siblings and families impacted by ABI and professionals working with them who would like to better understand how to support siblings as well as students in neuropsychology and related fields

The Sibling Effect Jeffrey Kluger, 2011-09-15 A senior writer at Time magazine explores what scientists and researchers are discovering about sibling bonds the longest lasting relationships we have in our lives Nobody affects us as deeply as our brothers and sisters not parents not children not friends From the time we and they are born our siblings are our collaborators and co conspirators our role models and cautionary tales They teach us how to resolve conflicts and how not to how to conduct friendships and when to walk away Our siblings are the only people we know who truly qualify as partners for life In this groundbreaking book renowned science writer Jeffrey Kluger explores the complex world of siblings in a way that is equal parts science psychology sociology and memoir Based heavily on new and emerging research The Sibling Effect examines birth order twin studies genetic encoding of behavioral traits emotional disorders and their effects on and effects from sibling relationships and much more With his signature insight and humor Kluger takes big ideas about siblings and turns them into smart accessible writing that will help anyone understand the importance of siblings in our lives

The Sibling Brian Sutton-Smith, 1970 [The Sibling](#) Brian Sutton-Smith, Benjamin George Rosenberg, 1970

The Sibling Archetype Gustavo Barcellos, 2016 Barcellos s groundbreaking study on the psychodynamics of brothers and sisters published in Portuguese in 2009 has been revised and expanded for its English edition on the theme of horizontality by this leading Jungian analyst The fundamental role of the Sibling archetype in structuring and establishing individual adult life is undeniable yet still dismissed Brothers and sisters are powerful figures in our lives as we build our mature relationship patterns Psychology must follow the movement that has been detected in other arts and sciences the current search for the paradigm of brotherhood and horizontality The Sibling is the archetypal basis for constructing the Other and for recreating an idea and a sense of community within the new orders of

the contemporary world [The Sibling Survival Guide](#) Dawn Huebner,2021-06-21 Having a brother or sister can be tough It can also be great but it s hard to see the great parts with so many bad parts getting in the way Problems like fighting and bossing Teasing and jealousy Tattling Pestering And more But what if you could do something about those problems Clear them away Then you d be able to actually enjoy your siblings This indispensable guide from best selling author Dr Dawn Huebner speaks directly to children ages 9 12 teaching skills to help them manage feelings and resolve conflicts strengthening the bonds between brothers and sisters Warm witty and packed with practical strategies this interactive book is the complete resource for educating motivating and empowering siblings to live in peace **Sibling Constellation** Brian Clark,1999 In addressing the impact of family on an individual s social and psychological development both astrologers and psychologists have tended to stress parental influence as the most significant factor The sibling relationship which also plays a vital role in determining who we become has been largely overlooked In *The Sibling Constellation* Brian Clark reveals how a deeper understanding of our sibling connections can lead to key insights about our families and ourselves Divided into four sections that explore the sibling relationship from different perspectives mythological psychological astrological and practical *The Sibling Constellation* also includes an examination of birth order and gender influence astrological cycles and their correspondence to the timing of a sibling s birth and case studies that show what the horoscope reveals about sibling relationships *The Sibling Constellation* is compelling reading for both astrological and psychological practitioners and anyone who would like to better understand his or her individual and sibling development *The Sibling Connection* Jane Mersky Leder,2015-11-22 When it comes to our siblings we often think of sibling rivalry But the sibling connection is much more It is mysterious complex and constantly changing Our siblings are major players in our lives and impact everything from our choice of profession to our choice of a husband wife or partner Siblings are reflections of ourselves and help us better understand who we are why we are and the way we are **The Sibling Society** Robert Bly,1997-05-27 Where have all the grownups gone In answering that question with the same freewheeling erudition and intuitive brilliance that made *Iron John* a national bestseller poet storyteller and translator Robert Bly tells us that we live in a sibling society in which adults have regressed into adolescence and adolescents refuse to grow up *The Sibling Sandwich* Arleen Burke,2021-04-12 Back PageArleen Burke has gotten to the crux of the matter about raising children to be happy well developed individuals All kids need to feel unique especially when they are the middle child This sweet story lets the reader into the world of a young girl trying to find her place in her family a place where she will feel just as special as her two brothers who are both immersed in their private worlds of hobbies and interests She finally finds her own answer with an adorable tiger kitten who makes her feel like she has become the sweet filling in a sibling sandwich Beginner readers will not only enjoy the ease of reading but the specialized vocabulary words that will sing forth when they read them aloud This book is a must for a young child s library It would also lend itself to many meaningful discussions and writing assignments in any primary level classroom
