Czarnecki, 2003-05-01      **The Acts of King Arthur and His Noble Knights** John Steinbeck, 2008-12-30 Steinbeck's only work of fantasy literature in a deluxe edition with a foreword by Christopher Paolini New York Times bestselling author of *Eragon* *Eldest* and *Brisingr* A Penguin Classic Malory's *Le Morte d'Arthur* was the first book that John Steinbeck truly enjoyed reading as a child Fascinated by Arthurian tales of adventure knighthood honor and friendship in addition to the challenging nuances of the original Anglo Saxon language Steinbeck set out to render these stories faithfully and with keen animation for a modern audience Here then is Steinbeck's modernization of the adventure of King Arthur and the Knights of the Round Table featuring the icons of Arthurian legend including King Arthur Merlin Morgan le Fay the incomparable Queen Guinevere and Arthur's purest knight Sir Lancelot of the Lake These enduring tales of loyalty and betrayal in the time of Camelot flicker with the wonder and magic of an era past but not forgotten Steinbeck's retelling will capture the attention and imagination of legions of Steinbeck fans including those who love Arthurian romances as well as countless readers of science fiction and fantasy literature This edition features a new foreword by Christopher Paolini author of the number one New York Times bestselling novels *Eragon* *Eldest* and *Brisingr* It also includes the letters John Steinbeck wrote to his literary agent Elizabeth Otis and to Chase Horton the original editor of this volume For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators      **Thundersleigh, Or, The Knight's Quest** Alfred R. Phillips, 1888      **Perceforest**, 2011 A highly readable version of this remarkable and largely unexplored work *Perceforest* is one of the largest and certainly the most extraordinary of the late Arthurian romances Justly described as an encyclopaedia of 14th century chivalry and a mine of folkloric motifs it is the subject of rapidly increasing attention and research The author of *Perceforest* draws on Alexander romances Roman histories and medieval travel writing not to mention oral tradition as he gives for example the distinctly racy first written version of the Sleeping Beauty story to create a remarkable prehistory of King Arthur's Britain It begins with the arrival in Britain of Alexander the Great His follower *Perceforest* the first of Arthur's Greek ancestors is made king of the island and finds it infested by the evil clan of Darnant the Enchanter Magic plays a dominant part in the adventures which follow as *Perceforest* ousts Darnant's clan despite their supernatural powers He founds the knightly order of the Franc Palais an ideal of chivalric civilisation prefiguring the Round Table of Arthur and indeed that of Edward III But that civilisation is the author shows all too fragile The vast imaginative scope of *Perceforest* is matched by its variety of tone ranging from tales of love and enchantment to bawdy comedy from glamorous tournaments to unvarnished descriptions of

the havoc wrought by war And the author s surprising view of pagan gods and the coming of Christianity is as fascinating as the prominence he gives to women and his understanding of how the world of chivalry should work Because of its enormous length it runs to over a million words Nigel Bryant has provided a version which gives a complete account of every episode linking extensive passages of translation to make a manageable and highly readable version including the previously unpublished Books Five and Six of this remarkable and largely unexplored work Nigel Bryant has worked as a producer for BBC Radio 3 and as head of drama at Marlborough College This is his fourth major translation of medieval Arthurian romance
