Uncle Remus: His Songs and His Sayings Joel Harris,2013-03-01 Uncle Remus is a collection of animal stories songs and oral folklore collected from Southern United States blacks Many of the stories are didactic much like those of Aesop s fables and the stories of Jean de La Fontaine Uncle Remus is a kindly old former slave who serves as a storytelling device passing on the folktales to children gathered around him The stories are told in Harris s version of a Deep South slave dialect The genre of stories is the trickster tale At the time of Harris publication his work was praised for its ability to capture plantation negro dialect

Uncle Remus - 1921 Joel Chandler Harris,2006-01-01 I am advised by my publishers that this book is to be included in their catalogue of humorous publications and this friendly warning gives me an opportunity to say that however humorous it may be in effect its intention is perfectly serious and even if it were otherwise it seems to me that a volume written wholly in dialect must have its solemn not to say melancholy features With respect to the Folk Lore series my purpose has been to preserve the legends themselves in their original simplicity and to wed them permanently to the quaint dialect if indeed it can be called a dialect through the medium of which they have become a part of the domestic history of every Southern family and I have endeavored to give to the whole a genuine flavor of the old plantation
