Yesterdays Nightmare:

Yesterday's a Dream R.S. McIntosh, 2005-08-18 Finding yourself in a dumpster is an awful way to start your day not knowing who you are is even worse In her late twenties and looking like an angel one memory haunts her is this smiling face that of a friend or an enemy This young woman s journey of self discovery begins with her remedial education and ends with a dramatic rebirth Samantha awakes as an innocent child and blossoms into a competent compassionate woman She had no memory no name and possessed a dead woman s wallet Determining the identity of this beautiful woman and how she came to be wandering the streets of this town should have been Officer Randall Brandt s main concern It was becoming difficult to keep his thoughts on his job when all he wanted was to be near her My first attempt at putting my creations on paper and into the mass market is finally becoming a reality I have been dreaming up characters and writing about them since grade school I hope you enjoy reading about them as much as I have enjoyed telling their story Currently I am fighting with the characters in my second novel they can be shy and snooty and sometimes just downright stubborn in their refusals to cooperate Still I persist because I believe their stories could shine the light on solutions to similar real life problems So prey for my patience and watch for I face the morning coming soon Thanks and God Bless Rennae **Yesterday** Felicia Yap, 2017-07-25 In this heart pounding mystery a woman is found dead but in a society where only the privileged have memories longer than a day the chances of solving the crime seem futile Imagine a world in which classes are divided not by wealth or religion but by how much each group can remember Monos the majority have only one day s worth of memory elite Duos have two In this stratified society where Monos are excluded from holding high office and demanding jobs Claire and Mark are a rare mixed marriage Clare is a conscientious Mono housewife Mark a novelist turned politician Duo on the rise They are a shining example of a new vision of tolerance and equality until A beautiful woman is found dead her body dumped in England s River Cam The woman is Mark s mistress and he is the prime suspect in her murder The detective investigating the case has secrets of his own So did the victim And when both the investigator s and the suspect s memories are constantly erased how can anyone learn the truth Told from four different perspectives that of Mark Claire the detective on the case and the victim Felicia Yap s staggeringly inventive debut leads us on a race against an ever resetting clock to find the killer With the science fiction world building of Philip K Dick and the twisted ingenuity of Memento Yesterday is a thriller you ll never forget **A Study in Realism** John Laird, 1920 *Yesterday's Dream* Judy Baer, 1990 The tragedy that strikes the Leighton family is followed by such deep heartache and loss that Lexi seems unable to handle the stress **Bred in the Bone** Elsie Singmaster, 1925 This book contains a collection of ten stories about the Pennsylvania Dutch Mennonites and Dunkers Each story features the same characters **Yesterday's Dreams, Tomorrow's Promises** Reon Laudat, 2001 Years ago Jared secretly pined for Daria only to watch her succumb to the predatory charms of his selfish womanising brother When fate reunites them temptation explodes into a fiery romance threatened by a twisted sibling rivalry **Nightmare** Cornell

Woolrich,1956 *Snowy River Man* Lizzy Chandler,2015-02-01 Their chance at love was lost in the harsh light of day Is the romance of the majestic Snowy Mountains enough to heal the wounds of the past so that they get a second chance at a future The last time Katrina Delaney saw Jack Fairley was the morning after a one night stand when she discovered he was engaged to be married Seven years later she dreams of a missing boy Jack s son Katrina has worked with police to find missing children before and she knows she must help But seeing Jack again comes with its own set of dangers and Katrina fears the risks she is taking with her heart Jack Fairley s standing in the community can t keep his son from wandering off during a country rodeo Frantic with worry Jack is willing to do anything to find him even put aside his scepticism and accept the help of a woman who sees his son in a dream But when that woman turns out to be Katrina Delaney he s immediately suspicious Neither Katrina nor Jack have any reason to trust each other or the attraction that flares between them again But trust they will have to if they want any chance at love

The New Quislings Bruce Bawer,2012-01-31 Millions of people around the world were shocked and horrified when a madman named Anders Behring Breivik set off a bomb in downtown Oslo and then attacked a political summer camp on the island of Utoya gunning down defenseless teenagers while calling out Gotcha as though he were playing a video game In the immediate aftermath of the attack before the killer s identity was known some people leaped to the conclusion that this was yet another act of Islamic terrorism When it turned out that the killer was a native Norwegian the author of a rambling manifesto in which he described himself as a modern Knight Templar defending the values of Christian civilization the left wing cultural elite in Europe and the US jumped to delegitimize critics of Islam by falsely and cynically linking them to Breivik One of those critics was American writer Bruce Bawer author of numerous books about the threat of Islamic radicalism and one of those whose works were cited in Breivik s manifesto Bawer has lived in Oslo for many years and has written extensively on the challenges of immigration and the negative effects of radical Islam on liberal societies He is also a vocal critic of the left wing cultural elite that seeks to minimize this threat and promotes instead a vision of a harmonious multicultural society based on tolerance and mutual respect Unfortunately such tolerance does not extend to critics of Islam or multiculturalism who are routinely labeled nativists and fascists by members of the left wing elite The left typically denies or downplays the religious motives of Islamic terrorists while insisting that right wing rhetoric creates a climate of hate which necessarily leads to violence Thus the multicultural left in Europe and the US strove to paint Breivik as a pro Israel Christian terrorist whose insane actions were encouraged if not outright motivated by conservative authors who warn against the impending Islamization of Europe Those who had criticized Islam however legitimately concerned they might be with the denial of basic human rights and individual liberties within Muslim communities were deemed officially anathema They were Islamophobes racists bigots extremists They were the danger They were the threat They had fertilized the soil in which the mass murderer had grown This campaign of vilification was waged not just in the European press but on American blogs and in the pages of the New York Times In The New Quislings Bruce Bawer explores

the world wide response to Breivik s rampage from the Norwegian cultural elite to Atlantic blogger Andrew Sullivan and the New York Times Roger Cohen He provides a fascinating portrait of the left wing cultural elite in Norway revealed to be the birthplace of political correctness and shows how they have become apologists for radical Islam Bawer further argues that they are the heirs of Vidkun Quisling the Norwegian fascist who administered Norway under the heel of the Nazi regime And he explains how those who oppose open debate and seek to control the conversation about Islam pose the greatest threat to liberal society
