often led young people to be in the wrong place at the wrong time Then some months later another couple was shot and this time the man survived The story he told was not of someone targeting either him or his friend but of a type of madman shooting them again and again The idea that there was an unhinged serial killer on the loose was confirmed when he began writing letters to the police and the newspapers not only claiming responsibility for these killings but for others that either had been or would be committed After he stabbed a third couple and then shot a cab driver in cold blood he began to send more and more letters These like the earlier ones were signed with a symbol understood only by the killer a man who called himself Zodiac In addition to sending cryptic letters that authorities had to decipher the Zodiac Killer used them to both taunt people and threaten more violence warning that a failure to publish what he would write would lead him to cruse sic around all weekend killing lone people in the night then move on to kill again until I end up with a dozen people over the weekend In many respects the pattern of crime and writing letters was not novel at all Around the same time the Zodiac Killer was murdering people on the West Coast the Son of Sam terrorized New York City in much the same way by killing at random and writing letters to the police Serial killers often use a set pattern and or rituals as part of their modus operandi so in that regard the actions of the Zodiac Killer didn t exactly distinguish him from other serial killers The main difference of course is that most serial killers are caught including the Son of Sam David Berkowitz while the Zodiac Killer s identity remains an unsolved mystery By both remaining unidentified and leaving seemingly tantalizing clues in his writing the Zodiac Killer ensured his notorious legacy in American history much the same way the attempt to identify Jack the Ripper continues to fascinate people across the world today If this case had been part of a well written police show or movie there would be music shooting and perhaps a romance between a cranky cop and a sexy detective The case would be wrapped up in an hour or two the killer would either be killed in an exciting firefight or put away for life and the people of San Francisco would once more rest easy at night But this was no movie the script lacks an ending and though the killer would be an old man by now as far as anyone knows he could still be alive and potentially dangerous The Zodiac Killer The Mystery of America s Most Infamous Serial Killer looks at the life of the serial killer and the crimes he committed *The Zodiac Killer* Frances J. Armstrong, 2017-06 The Zodiac Killer The Mystery Behind America s Most Feared Serial Killer If not for the ominous shadow of Jack the Ripper the case of the Zodiac Killer would perhaps be the greatest mystery the world has ever known The Zodiac Killer was the self given name to a murderer who took responsibility for the deaths of at least five people in the San Francisco area of California throughout the 1960s and 1970s Over the decades the case has become synonymous with mystery and injustice The Zodiac Killer s murders were brutal bizarre and without remorse He began by targeting young couples in lovers lanes and executing them with close range gunshots His murders then progressed indicating a highly unstable frame of mind yet one intelligent enough to evade capture He would go on to taunt the police and the media with strange ciphers and messages which would take significant time to decode some of which remain untranslated to this day

Despite extensive searching analysing and profiling no conclusive evidence of the Zodiac Killer s identity has ever been put forward Of course many theories exist some of which appear to answer all of the questions one would have regarded the identity of a notorious serial killer However none are concrete enough to serve as solid confirmation of who he really was This book looks at all the evidence and tries to piece together the clues that point to the true identity of this murderer
