Parties And Politics

In Post-1989 Poland Hubert Tworzecki, 1996-06-06 A study of the formation of political parties in the early stages of the transition to democracy in Poland and of how individuals acquired partisan preferences Weighs the relative impact of social cleavages political cultures and attitudes and political actors and institutions in party formation and shows that from the beginning electoral behavior has been based on regional demographic and attitudinal factors that remain stable and predictable from one election to the next Annotation copyright by Book News Inc Portland OR *Stabilising Fragile Democracies* Geoffrey Pridham, Paul G. Lewis, 1996 The recent history of both Southern and Eastern Europe has demonstrated the key role that political parties play in the establishment of new parliamentary democracy Political parties often form as a result of opposition to previously authoritarian regimes and their performance during a transition period gives an excellent indication of the nature and prospects of democracy This is the first book to provide a systematic comparison of the democratic transitions of Eastern and Southern Europe It does so with the aid of four case studies from each region written by regional specialists The countries covered include Italy Spain Greece Portugal Hungary Romania Poland and Bulgaria Within a comparative framework the authors discuss the central questions of how democratic parties and political elites form how alliances and coalitions are built how parties cope with their inheritance and develop new identities and how they behave during elections *Stabilising Fragile Democracies* provides both an invaluable guide to recent events in Southern and Eastern Europe and a means to understanding the process of democratization **Changing Party Systems in Western Europe** David Broughton, Mark Donovan, 1999 This book analyses the changing pressures and demands placed on the party systems in eleven countries of Western Europe since 1945 It includes studies of the party system in the big four Western European countries Britain France Italy and Germany as well as the systems in Spain Portugal Ireland Sweden Austria Belgium and the Netherlands Five major themes are examined in each chapter the broad development of the party system including a discussion of how different party system typologies have been applied in each country a detailed discussion of the historical background to party system development the most important contextual variables in terms of the electoral environment within which the party system operates the degree of unfreezing of the party system since 1945 and the changing balance between stability and change and finally major questions of change and adaptation which bring the chapters up to the present The book is important for its identification of broad trends within the mature Western European party systems The analyses are up to date and empirical emphasizing the further defreezing in the party systems that has occurred in the 1990s Building Democratic Institutions, 1995 Third the authors investigate the relationship between major parties and the state revealing the extent to which parties are dependent on state resources to maintain power and win votes Fourth the contributions assess the importance of different electoral regimes for shaping broader patterns of party competition Finally and most important the authors characterize the nature of the party system in each country how institutionalized it is and how it can be classified BOOK JACKET *European Journal of Political Research*

,1999 The Politics of Democratic Spain Stanley G. Payne,1986 *Green Parties and Political Change in Contemporary Europe* Michael O'Neill,1997 This book offers an up to date guide to the Green parties of Western Europe as the optimism of the 1980s confronts the Green fatigue of the 1990s The approach is both thematic and comparative Green politics in Europe is located in its historical and cultural context There is a comparative analysis of the principal ideological questions policy issues and strategic dilemmas that have confronted the European Greens There are national profiles of Green politics throughout the European Union The conclusion addresses the critical issue of political change in post industrial societies It discusses the contribution of Green politics to the new politics and assesses its likely impact on post modern politics
