Life Is Not a Candy Store: It's the Way to the Candy Store Tal Yanai, 2011-06 The book LIFE IS NOT a CANDY STORE ITS THE WAY TO THE CANDY STORE is a short 34 pages spiritual guide for teenagers and young adults It highlights the problem of people who look for instant gratification and the lack of awareness of the pain they cause to others The book reminds the reader that life has a higher purpose and together the author and the reader travel on the road of life exploring different situations and the lessons which come with them Each chapter in the book is a road sign which calls the reader to be aware of elements we face in life and ways to deal with them The book also provides the reader with useful tools to overcome daily problems and live a better more spiritual life From dealing with the problem of lying in the chapter Dead End Roads to providing useful tools in the chapter Roadside Assistance the reader explores lifes journey from a new prospective knowing he or she is not the only one struggling and trying to find a higher purpose in life The unique format of this book cannot be found in other spiritual books Also given the fact that teenagers and young adults are constantly in a stage of doubts and confusion I was surprised to see how little spiritual guidance is available to them The books format makes it easy to follow and gives the reader useful tools for spiritual growth This book was written from personal experiences and it is my hope that it will serve as a lighthouse for many souls
