Study In Daniel:

Daniel Todd Wilson, 2015-06-15 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week study leads participants through books of the Bible and are made up of four basic components: 1. Reflection questions help readers engage the text at a deeper level. 2. Gospel Glimpses highlight the gospel of grace throughout the book. 3. Whole Bible Connections show how any given passage connects to the Bible's overarching story of redemption culminating in Christ. 4. Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Daniel has all the makings of a great story: memorable characters, cliff-hanging moments, and incredible visions. Yet we miss the point if we pay more attention to Daniel's story than we pay to Daniel's God. In this helpful study, readers will see how this fascinating biblical book ultimately points to the sovereign Lord of history who rules over all earthly kingdoms and whose plans cannot be thwarted.

Insights on the Book of Daniel Alan B. Stringfellow, 2020-12-01 For more than four decades, the Bible studies taught by Dr. Alan B. Stringfellow (1922-1993) brought greater insight into God's Word to thousands of believers. Now the author of *Through the Bible in One Year* and *Great Characters of the Bible* leads readers on a verse-by-verse study of the book of Daniel. Stringfellow's in-depth teaching will bring clarity and understanding to one of the most misunderstood books in Scripture. With this study, readers will learn: How to identify the major themes; How to memorize key verses; How to recognize God's central message; An overview of various interpretations of the book's imagery; The role Daniel's prophecies play in the entire biblical story. By embarking on this journey, believers will discover the influence that the book of Daniel had on the life and literature of the Jewish people throughout the biblical period and all the way to the writers of the New Testament, including Jesus Christ Himself, who often quoted from it. But nowhere is that influence seen as thoroughly as in the writings of the apostle John, and parallels that exist with the book of Revelation. As in John's prophetic work, the book of Daniel describes in beautiful and marvelous language the glorious coming of our Lord, Jesus Christ. Like John, Daniel was sure and certain about the final triumph of the kingdom of God.

The Walk with the Word Daniel Study Guide D. E. Isom, 2020-11-21 This is not a commentary but a series of Bible studies employing the Inductive Study Approach in order to arrive at a knowledge of how the text should be personally applied to one's life. Formatted in a question and answer format, it facilitates the process of observation (what does the text say), interpretation (what does the text mean), and the ultimate goal of application (how should I personally apply the text to my life). In this author's opinion, it is impossible to grasp the whole prophetic picture and even many of the individual details and milestones without building firmly on this progressive foundation: first learning Daniel, then the Olivet Discourse, and finally on to Revelation. The number one culprit of error in this area is most often traced to someone placing an over-emphasis on only one of these

teachings or over realizing a single aspect of just one of them Revelation cannot be properly understood in isolation from Daniel and the Olivet Discourse In fact if the Early Church who first received Revelation had perceived in even the smallest way that it contradicted made obsolete or outright replaced even one letter of one word in Daniel and the Olivet Discourse it would have been soundly rejected no matter what the authorship The amount of material in Daniel which is recapitulated in Revelation is astounding Rather than presenting another commentary to document the various views and alternative interpretations of Daniel these Bible studies at least provide the opportunity to examine the text and personally seek how God would see it realized in our personal life as we begin to experience these events in our lifetime Life-Study of Daniel Witness Lee,1991 **The Book of Daniel** Russell M.
