Unfortunately, I am not around to approve the implementation plan, yet there is a teacher who approves in my stead. 4. One or two existing laws or court rulings that relate to the issues:

There have been various rulings across our nation to help curtail gun violence. For example, a handful of states' legislation allows the school to have a designated person to carry a concealed weapon. This has all been brought about because of the act of violence being done the active shooters in schools.

5. District policies that relate to the issues:
