[The Story of the First Easter Bunny](#) Anthony Destefano,2024-01-16 At a time when the profound significance of Easter is often overshadowed by commercialism The Story of the First Easter Bunny is a refreshing and heartwarming reminder of the true meaning of this most holy of Christian holidays Best selling author Anthony DeStefano tells the tale of a pint size bunny with enormous ears who seeks healing for his sick mother by searching for Jesus and listening to His words The bunny shows courage and compassion on his selfless journey When all seems dark and he is afraid the bunny remembers Christ s words and takes refuge in God s promise by calmly waiting for the light After the bunny witnesses the Last Supper the Crucifixion and the Resurrection he and his mother experience a life changing miracle and the bunny goes on to spread the message of salvation to all who will listen His inspiring example is a reminder to readers both the young and the young at heart that God s love is ever present and that when we trust Him with the confidence of a child we find redemption fulfillment and lasting joy This instant classic told in charming rhyming verse and wonderfully illustrated by New York Times best selling artist Richard Cowdrey adopts the Easter Bunny as a symbol of hope in the Risen Lord of the transformative power of faith and of the reality of Heaven It offers an inspiring alternative to our culture s obsession with chocolate treats dyed eggs and cartoon characters of little substance The moving tale of this endearing bunny who refused to give up hope will fill your heart with a song of praise and be a favorite in your home classroom and church for years to come
