God Anthony Wharton,2012-06-08 All men of all nations must return to their true source and roots of manhood by the Spirit of God and His Word The women are not left out because they play a wonderful role in men being all that they can be for Jesus and His plan for their lives The man has to contend with many things that are working against him from the past present and future but when he is connected to his true roots he has the greater power working for him than what is against him The man is more than a conqueror The prophecies are for the man and the whole Body of Christ that he belongs to so they can know what God is doing in the nations and what he will do in the future The man the church and the leaders can position themselves with God and His Son Jesus the Christ for a better nation All nations have a season of judgment and all nations have a season of blessings so the man and his nation can position themselves with the True and Living God
