Kenneth Womack

Twilight Hunger:

Twilight Hunger Maggie Shayne, 2019-05-10 Explicit Sexual Content The beautiful screenwriter who lost it all finds the diaries of a long dead madman in her tumbledown mansion's attic. The stories are too good to resist and she turns them into screenplays that launch her to stardom. Dante, the subject of the film, is neither a madman nor long dead. He's undead. And the ingenue scribbler who's gained fame and fortune by exposing his secrets to the world must be found and stopped permanently. But Dante isn't the only one seeking Morgan, Vampire killer Frank Stiles is after her too in hopes he can find Dante through her. Her films aren't made up. They are taken straight from the files of the dark ops agency he used to work for before the vampires destroyed it. When Dante and Morgan come together, the passion between them will not be denied for it is born of a preternatural bond; they can neither understand nor fight. They cannot bear to be apart but being together might cost them both their lives. Maggie Shayne is a New York Times and USA Today Bestselling RITA Award winning author.

Wake to Darkness Maggie Shayne, 2013-11-26 Drawing on an uncanny sense of perception and her experience with temporary blindness to achieve success as a self-help celebrity, Rachel struggles to maintain a professional relationship with Detective Mason Brown with whom she investigates a series of murders at a snowbound resort.

Books and Beyond Kenneth Womack, 2008-10-30 There's a strong interest in reading for pleasure or self-improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey's. Although recent government reports show a decline in recreational reading, the same reports show a strong correlation between interest in reading and academic achievement. This set provides a snapshot of the current state of popular American literature including various types and genres. The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk, fantasy, literature, flash fiction, GLBTQ literature, graphic novels, manga, and anime and zines. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details and the set closes with a selected general bibliography.
