Two Faces Of Islam:

The Two Faces of Islam Stephen Schwartz, 2002 In this informed compelling exploration of Moslem beliefs and of the sectarian conflicts within the community a Jewish historian paints a sympathetic portrait of mainstream Islam and exposes the centuries old roots of Osama bin Laden s extremism The difficult protracted war against terrorism has raised unsettling questions about the nature of Islam and its influence on America s declared enemies In *The Two Faces of Islam* Stephen Schwartz who has devoted years to the study of Islam explains its complex history and describes the profound philosophical and religious differences that distinguish traditional beliefs from the radical sects that have sprung up over the past fifteen hundred years He focuses on Wahhabism the puritanical sect to which Osama bin Laden belongs Founded in the eighteenth century by a radical cleric this intolerant Islamo fascist sect became the official creed of the Saudi Arabian state and has been exported to Moslem countries from the Balkans to the Philippines as well as to Islamic communities in Western Europe and the United States By setting the current upheavals within an historical and religious context Schwartz demonstrates that Osama bin Laden and his followers are not really fighting a war against America Rather they are engaged in a revolution within Islam itself a movement that parallels the turmoil within Christianity during the sixteenth century Schwartz not only exposes the collusion of the Saudi Arabian government in the spread of radical Islam which makes them at best reluctant allies of the West he shows that the majority of Moslems have little sympathy for the Wahhabis and that many openly denounce their motivations and goals A riveting narrative that never smacks of propaganda *The Two Faces of Islam* is essential reading for anyone who seeks to understand who we are fighting what our enemies believe and who our friends in the Moslem world really are

The Two Faces of Islam Stephen Schwartz, 2003-09-09 Since its formation in 1932 Saudi Arabia has been ruled by two interdependent families The Al Sa uds control politics and the descendants of Ibn Abd al Wahhab impose Wahhabism a violent fanatical perversion of the pluralistic Islam practiced by most Muslims Stephen Schwartz argues that Wahhabism vigorously exported with the help of Saudi oil money is what incites Palestinian suicide bombers Osama bin Laden and other Islamic terrorists throughout the world Schwartz reveals the hypocrisy of the Saudi regime whose moderate facade conceals state sponsored repression and terrorism He also raises troubling questions about Wahhabi infiltration of America s Islamic community and about U S oil companies sanitizing Saudi Arabia s image for the West This sharp analysis and eye opening expose illuminates the background to the September 11th terrorist attacks and offers new approaches for U S policy toward its closest ally in the Middle East

Two Faces of Islam Stephen Schwartz, 2003-09-01 Essential reading for anyone interested in the background of the war on terror and the future of the Middle East policy this eye opening expos reveals America s profound ignorance about its closest ally in the region Saudi Arabia

The Two Faces of Islam Gerald Charles Tilley, 2016-12-28 Islam has presented two contrary faces to the outside world The face presented to us when Islam is attempting to gain influence and converts is one of peace and mercy The face

we are shown when Islam is in control or is seeking to punish those who refuse to submit to its demands is one of threats violence and hatred Both faces are clearly presented and advocated in the Quran and exemplified in the attitudes and practices of Muhammad So which face of Islam actually reveals the true Islam for today What is the basis for this determination of authentic Islam What evidence is there to support claims for the divine origin and reliability of the Quran How can we genuinely evaluate Muhammad s claim to be a prophet These and other questions are thoroughly answered from the Quran by Muhammad and other Muslim and non Muslim scholars Unfunding Terror Jimmy Gurulé,2010-01-01 Jimmy Gurul knows how to bankrupt terrorists like few others do As Undersecretary of the Treasury for Enforcement he spearheaded the fight against al Qaeda s global bank accounts helping to earn the highest grade awarded on the 9 11 Commissioners report card As an author he performs once again Unfunding Terror provides policymakers and laymen alike a clear roadmap on how to keep terrorists out of the global financial system Timothy J Roemer Center for National Policy former US Congressman and member of the National Commission on Terrorist Attacks Upon the United States 9 11 Commission Jimmy Gurul has given us a superbly comprehensive and well written assessment of why regarding terrorism Deep Throat s principle is bang on follow the money R James Woolsey venture partner VantagePoint and former Director of Central Intelligence US A detailed study by a true scholar practitioner Unfunding Terror explains the legal response to terror finance in language accessible to both the expert and layman Required reading Matthew Levitt Director Stein Program on Counterterrorism and Intelligence The Washington Institute for Near East Policy and former Deputy Assistant Secretary of the Treasury for Intelligence and Analysis US Professor Gurul is comprehensive he describes the problem terrorist funding by those in the free world analyzes the legal responses make it a crime freeze terrorist assets impose regulations on financial institutions critiques the administration s and international community s efforts to unfund terrorists political rhetoric not in fact backed up with effective strategies or implementation and outlines concrete legal and administrative remedies Would that they to whom the recommendations are addressed act on them quickly Too much is at stake to let terrorists who condemn the West as corrupt get their funding to attack the US and its allies from the West itself That would be a form of social suicide G Robert Blakey Notre Dame Law School US The September 11 2001 terrorist attacks that claimed the lives of 2 973 innocent civilians required as much as 500 000 to stage At the time al Qaeda was operating on an annual budget of between 30 and 50 million However despite the obvious fact that terrorists need money to terrorize preventing the financing of terrorism was not a priority for the United States or the international community prior to 9 11 Jimmy Gurul former Under Secretary for Enforcement in the US Department of the Treasury provides the first book length comprehensive analysis of the legal regime that evolved following the terrorist attacks The book begins with a discussion of how shutting down the pipelines of funding is as important as dismantling the terrorist cells themselves Next the book covers the various means and methods used by terrorist groups to raise money and examines how money is transferred globally to finance their lethal

activities The principal components of the legal strategy to disrupt the financing of terrorism are then discussed and evaluated Unfortunately the author concludes that the legal regime has met with mixed results and finds that the sense of urgency to deprive terrorists of funding that existed following 9 11 has since dissipated As a result international efforts to freeze terrorist assets have dramatically declined Moreover the US Department of Justice has suffered several embarrassing and disappointing legal defeats in prosecuting major terrorist financiers The author provides numerous recommendations to Congress the Executive Branch and the UN Security Council for strengthening the legal regime to deny terrorists the money needed to wage global jihad acquire weapons of mass destruction and launch another terrorist attack on the scale of 9 11

Unfunding Terror fills an important gap in the literature and will be essential reading for counter terrorism experts law enforcement and national security

the first jewish rabbi convert to islam Others, *The Islamic Challenge in Europe* Raphael Israeli,2017-09-08 Since the World Trade Center attacks in New York on September 11 2001 Europe has been plagued by Islamist attacks that have taken many lives and disrupted many services Considerable attention has been paid to radical Islamist attacks on the United Kingdom France and Germany but far less focus has been on the Islamist extremist impact on the rest of Europe This book warns all Europeans but Middle Easterners as well that they are not immune to terror That terror is confined to Jews and Israel is a myth Muslim extremist attacks have taken place against other Muslim nations as well as European nations in which Jewish influence or Israeli support is negligible The waves of Muslim recrimination against the West have given rise to internal struggles within the Arab world played out in terrorist acts Muslim brotherhoods have defined a global war against other religions nations and cultures that stray from the principles of fundamentalism a cultural and military jihad Just where religious identity supervenes national identity has become a critical turning point Israeli s book shows that the line between moderates and extremists within the Islamic fold is vague ambiguous and in certain situations non existent It draws attention to polls and public sentiments of the Islamic faithful and emphasizes the Islamic attack on modernization and its cultural sources This timely volume is addressed to those in the West who are not accustomed to thinking in apocalyptic terms Israeli provides painstaking details of European responses to Islamist challenges particularly those who prefer pragmatic compliance rather than response He demonstrates that Islamic extremism continues to grow in the heartland of the European world This is neither an optimistic nor pessimistic book its disturbing message may be a wake up call to some It is a necessary read for those who want to go beyond news opting for a more intellectual and comprehensive diet

Two Faces Of Islam Introduction

In today's digital age, the availability of Two Faces Of Islam books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Two Faces Of Islam books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Two Faces Of Islam books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Two Faces Of Islam versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Two Faces Of Islam books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Two Faces Of Islam books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Two Faces Of Islam books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Two Faces Of Islam books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Two Faces Of Islam books and manuals for download and embark on your journey of knowledge?
