

Two Notebooks

California (State).

Two Notebooks:

The Frankenstein Notebooks Charles Robinson, 2020-06-01 Mary Shelley's Frankenstein is arguably the best known work of the English Romantic period. First published in 1996, this edition of The Frankenstein Notebooks contains not only facsimiles and transcriptions of all of surviving manuscripts related to the novel and a corrected critical text of Frankenstein or The Modern Prometheus but also a full range of factual information drawn from Shelley's and William Godwin's letters and journals, from newspaper ads of the day and from other available scholarship about the conception, gestation, and birth of Mary Shelley's monster. This two-volume set contains a wealth of information vital to the creation and reception of Frankenstein. It will enable scholars, critics, and students to see for themselves the exact extent of P. B. Shelley's editorial contributions and trace the artistic and ideological development of the novel at various stages in its formation. It will also enable the reader to explore the text itself to test and evaluate their own theses. Part one contains the draft notebook A, which was written between August or September and December 1816. This set will be of keen interest to those studying Frankenstein, the Romantics, and 19th-century literature.

Bod XXIII Tatsuo Tokoo, Bruce Barker-Benfield, 2013-06-17
Garland's magnificent facsimile series of the manuscripts of Percy Bysshe Shelley and Mary Wollstonecraft Shelley in the Bodleian Library, Oxford. The Bodleian Shelley Manuscripts, 22 volumes, 1986-1997, is now made complete by the publication of its Index volume. Volume XXIII provides the key to the contents of the Shelleyan notebooks and papers in all their complexity: poems, prose translations, fragments, calculations, drawing, and doodles, addresses, and other miscellaneous jottings. The accumulated findings provide a treasure trove of information about the Shelley's lives, their writings, and readings, and echoes of classical and later authors, the people they met, corresponded with, rented houses from, or saw perform the towns they visited, the very houses in which they lived, the lakes and rivers they sailed, and the mountains they climbed. The intellectual and physical data of these manuscripts will help open new vistas for students of their lives, thought, and creative writing.

Literature and the Cult of Personality Gregory Maertz, 2017-04-25
The construction of Johann Wolfgang von Goethe as an Anglo-American sage and literary icon was the product of a cult of personality that lay at the center of nineteenth-century cultural politics. A reconstruction of the culture wars fought over Goethe's authority, a previously hidden chapter in the intellectual history of the period ranging from the late eighteenth century to the threshold of Modernism, is the focus of *Literature and the Cult of Personality*. Marginal as well as canonical writers and critics figured prominently in this process, and *Literature and the Cult of Personality* offers insight into the mediation activities of Mary Wollstonecraft, Henry Crabb Robinson, the canonical Romantic poets, Thomas Carlyle, Margaret Fuller, George Eliot, Matthew Arnold, and others. For women writers and Jacobins, Scots, and Americans, translating Goethe served as an empowering cultural platform that challenges the myth of the self-sufficiency of British literature. Reviewing and translating German authors provided a means of gaining literary enfranchisement and offered a paradigm of literary development according to which re-writers become

original writers through an apprenticeship of translation and reviewing In the diverse and fascinating body of critical writing examined in this book textual exegesis plays an unexpectedly minor role in its place a full blown cult of personality emerges along with a blueprint for the ideology of hero worship that is more fully mapped out in the cultural and political life of twentieth century Europe

Notebooks: 1804-1808: Text. Notes. 2 v Samuel Taylor Coleridge, 1957 Reproduces in their entirety the text of the extant notebooks of the English poet Samuel Taylor Coleridge from the years 1794 1804

A Study of Biology Notebook Work in New York State Don Otto Baird, 1929 Contributions to Education, 1929 *Index to the Notebooks of Dr. Charles Horton Peck* Charles Horton Peck, 1923 Cultural-Historical Approaches to Studying Learning and Development Anne Edwards, Marilyn Fleer, Louise Bøttcher, 2019-04-02 This collection of papers examines key ideas in cultural historical approaches to children s learning and development and the cultural and institutional conditions in which they occur The collection is given coherence by a focus on the intellectual contributions made by Professor Mariane Hedegaard to understandings of children s learning through the prism of the interplay of society institution and person She has significantly shaped the field through her scholarly consideration of foundational concepts and her creative attention to the fields of activity she studies The book brings together examples of how these concepts have been employed and developed in a study of learning and development The collection allows the contributing scholars to reveal their reactions to Hedegaard s contributions in discussions of their own work in the field of children s learning and the conditions in which it occurs
