Merchant Marine Council, 1964 **The American Musical** Marc Bauch, 2003 Although almost neglected in research and
studies on American Literature the American Musical is certainly the most interesting and the most popular genre of
American theater and drama It has been influenced by the necessities of a self-funding commercial theater system of a
democratic country The fact that it has developed in a country of democracy means that it should be a genre for everyone the
intellectual and the common man Broadway has provided all these In his study Marc Bauch analyzes three American
Musicals namely South Pacific 1949 by Richard Rodgers and Oscar Hammerstein West Side Story 1957 by Leonard Bernstein
Arthur Laurents and Stephen Sondheim as well as Sunday in the Park with George 1984 by Stephen Sondheim and James
Lapine Special attention is paid to the themes and topics the literary means and the dramatic dodges of the aforementioned
American Musicals The three analyses are extended with historical overviews of the American Musical Marc Bauch is also
the author of Themes and Topics of the American Musical after World War II 2001 also published by Tectum Verlag Two
