Excerpt from *Random Recollections* Though no portions of the first and second editions of this work were on sale they were soon exhausted in supply ing calls on me for copies The requests in numerous news papers and letters that I would place the book where it could be purchased amounted almost to a rebuke for my not hav ing done this In compliance with this desire I have spent a few weeks in preparing a third edition which will be issued and sold by a book publishing house The new matter in this third edition makes the volume about two thirds larger than the second edition and about three times as large as the first This production is neither a history a biography nor an autobiography but is exactly what it professes to be namely some random recollections of the writer It will be well to read it from that point of View Such value as this draft on my memory may possess is mainly due to the fact that in describing events and men I have usually told only what I personally knew of them and perhaps better than all I have tried to stop when I was done About the Publisher
