White,1978 **Ability Testing of Handicapped People** National Research Council (U.S.). Panel on Testing of
Handicapped People,Assembly of Behavioral and Social Sciences (U.S.). Panel on Testing of Handicapped People,1982
Current testing and selection practices in schools and the workplace are examined to describe the experiences of
handicapped people and to determine the extent to which testing is a barrier to the full participation of handicapped people
in society The Panel on Testing of Handicapped People dealt in depth with the legal and psychometric issues relating to the
testing of people with handicapping conditions and to the testing requirements of the regulations implementing Section 504
of the Rehabilitation Act of 1973 They concluded that current psychometric theory and practice do not fully comply with the
regulations as currently drafted recommending necessary research studies of test validity validation procedures test
modifications and investigation into the role of test scores in decision making Chapters in this report discuss 1 ability testing
and handicapped people 2 admissions testing for post secondary education 3 testing for job selection 4 the legal context of
Section 504 5 psychometric requirements of the regulations 6 recommended policies and procedures and 7 recommended
research A review of literature and summary proceedings of an open meeting of the Panel 1980 are appended PN **Test
Validity** Howard Wainer, Henry I. Braun,2013-07-04 Technological and theoretical changes over the past decade have altered
the way we think about test validity This book addresses the present and future concerns raised by these developments
Topics discussed include the validity of computerized testing the validity of testing for specialized populations e g minorities
the handicapped and new analytic tools to study and measure validity *College Admissions and Admissions Testing in a
Time of Transformational Change* Kurt F. Geisinger,2022-12-30 Perhaps no topic in higher education is more controversial
than admissions whether it be to a prestigious college graduate schools or professional schools In response to the pandemic
and a host of race relations issues in the country many colleges and universities have changed their policies regarding
admissions testing In this foundational volume renowned chapter authors address a diverse set of themes related to college
admissions examining new perspectives exploring the strengths and weaknesses of current practices and discussing how
institutions might use different techniques to attract diverse students particularly those who have not traditionally attended
college Experts in college admission testing admissions research and psychology come together to provide empirically based
approaches and ideas Ultimately this volume advances a future in college admissions where more students are able to
succeed in college and beyond **Resources in Education** ,1985 **The Test Performance of Handicapped People**
