## **Text Level Year R Developing Literacy:**

Primary English Curriculum Guide Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice

**Developing Literacy** Ray Barker, Christine Moorcroft, 2000 Through 50 activities using fiction non fiction and poetry this book intends to help Year 1 children achieve the text level learning objectives outlined in the National Literacy Strategy It aims to develop children's reading skills and ability and to plan and structure their writing The activities are designed for use with texts already in schools therefore no new text resources are required The other two graded Developing Literacy activity books in this series cover Word and Sentence
