Time Matters Global Local Time In Asia:

Asia in Europe, Europe in Asia Srilata Ravi, Mario Rutten, Beng-Lan Goh, 2004-06-30 The book presents a unique combination of the study of contemporary and historical practices between Asia and Europe and brings forth some of the latest thinking on the subject Recent debates have centered primarily on contemporary aspects of the Europe Asia partnership in terms of international relations and economic linkages The present volume complements this political and economic interest in Europe Asia relationship by focusing on the academic social and cultural connections between the two regions The contributions in this volume have a contemporary focus but contextualize the themes within a historical perspective They deal with academic discourses on the region on modernity and entrepreneurship they discuss the long term exchange of knowledge in specific scientific fields and they focus on the cultural interconnections in the area of film literature and migration The originality of this book lies in its interdisciplinary approach to the question of Asia Europe and in its emphasis on the multifaceted complexity of the relationship between these two regions It brings together the diversity of local histories ideas and agencies in both Europe and Asia into a universal project of knowledge formation in order to reveal their contribution to the making of the world we are in

Global Indonesia Jean Gelman Taylor, 2013 In the 19th century colonial rule brought the modern world closer to the Indonesian peoples introducing mechanized transport all weather roads postal and telegraph communications and steamship networks that linked Indonesia s islands to each other to Europe and the Middle East This book looks at Indonesia s global importance and traces the entwining of its peoples and economies with the wider world The book discusses how products unique to Indonesia first slipped into regional trade networks and exposed scattered communities to the dynamic influence of far off civilizations It focuses on economic and cultural changes that resulted in the emergence of political units organized as oligarchies or monarchies and goes on to look in detail at Indonesia s relationship with Holland s East Indies Company The book analyses the attempts by politicians to negotiate ways of being modern but uniquely Indonesian and considers the oscillations in Indonesia between movements for theocracy and democracy It is a useful contribution for students and scholars of World History and Southeast Asian Studies

The Bengal Borderland Willem van Schendel, 2005 The Bengal Borderland constitutes the epicentre of the partition of British India Yet while the forging of international borders between India Pakistan Bangladesh and Burma the Bengal Borderland has been a core theme in Partition studies these crucial borderlands have remarkably been largely ignored by historians
