The Ever Rolling Stream:

An Ever Rolling Stream Don Snuggs,2015-06-28 From the conventional to the unconventional in life and medicine Don Snuggs had a very normal childhood Born in 1932 and a child of the war he matured into an imaginative unconventional professional practitioner of alternative medicine After surviving the trauma of war many found themselves the subject of prejudice and discouragement but with his determination to succeed Don went on to make his mark on the world As a child Don spent some of his childhood in hospital which ultimately led to his interest in medicine and the nursing profession An Ever Rolling Stream details his life from his wartime childhood to his life as a nurse Don shares his memories of being in charge of a cancer ward in the Uxbridge RAF hospital and how it taught him the effects that disease and ill health can have on a person This led Don eventually to pursue an interest in Chinese medicine with its different approach to the sick person and his predicament Most of his stories talk not about cure but about care as Don shares his time spent comforting and caring for distressed patients as well as the support and friendship he shared with his bemused colleagues An Ever Rolling Stream is a touching memoir that allows the reader to share some of Don Snuggs most personal memories of his time spent living in a war torn Britain and caring for those most affected by their afflictions This book will appeal to readers with an interest in the Second World War as well as those with an interest in traditional and alternative medicine **Time, Like an Ever-Rolling Stream** Judith Moffett,2015-05-29 Judith Moffett returns to the future with this moving tale of the Hefn occupation of Earth and how it affects the planet s native humans two in particular Pam Pruitt a talented young woman from Kentucky and Liam O Hara whose unique friendship with the Hefn Humphrey saved his life The two teens journey to a special place in remote Kentucky Hurt Hollow where the painter Orrin Hubbell and his wife Hannah found a way to live in peace with the planet during the twentieth century The prospects of living peacefully seem distant for Pam and Liam both of whom must find peace with themselves as well as with the Hefn Directive The marvelous events that befall them en route to Kentucky and in the Hollow itself beautifully depict the subtle ways in which the world shapes them and the stunning ways in which they change the world *Cracking the Timeline* Ruth Rosemary,2023-03-10 History versus science history versus history or history with science who has it right In this book you will be challenged to think differently about BC history Discover a calendar that is over five thousand years old and how the younger calendars go with it in this timeline Discover a reason why different dates are assigned to the same event Explore why the Second Temple of Judaism which stood partly BC and partly AD for about 420 years can have a start date in the 500s BC and 300s BC Discover concurrent event reading of the Bible as it relates to history Discover the accuracy preserved by forefathers and more With the use of the Gregorian calendar beginning in the 1500s we read BC history with dates that go backward as events move forward This is exactly the opposite of our current dates where the dates move forward as events move forward In this book there is a BC to AD timeline of the Bible some history and some prophesied events As you read you will go on a journey through history and put together past

and present through what was written down about events and prophesied events 157 **God and personality** Clement Charles Julian Webb,1919 **Reminiscent Reflections of a Youthful Octogenarian** George Henry Gerberding,1928

This collection of essays pertains to matters that urgently concern our faith My work consists in recognition that our various systems of meaning power and control are decisively penultimate even though we conduct ourselves as though they are ultimate Thus our articulation of theology and faith are momentary and require endless rearticulation Our various expressions of nation race class and gender are momentary arrangements that give us assurance but that are sure to be yet again unsustainable claims The idiom in which biblical faith is given us is inescapably poetic an exercise in imagination elusive imagery and playful phrasing The long history of the church consists in the seductive practice of trying to catch such poetic utterance in settled prose that we parse with logic and precision Such efforts are always less than adequate as the poetry of testimony always surges beyond our best prose Thus as a case in point the church has engaged much energy in parsing the creeds But in the end the creeds are poetry designed for liturgic affirmation rather than reduction to cold rationality bereft of context For much too long the church has focused on private spiritual other worldly matters In fact the biblical reportage and advocacy concern the continuing struggle for an alternative economy that is governed by neighborly generosity an economy that eschews private accumulation by the powerful at the expense of the vulnerable On all counts it is my hope that this collection of essays will serve all those who do the continuing work of faithful study faithful worship and faithful action in the world Eton, Harrow and Winchester Arthur Capel Molyneux Croome,1922 **Fifty Years of Sport at Oxford, Cambridge and the Great Public Schools: Eton, Harrow and Winchester** Arthur Capel Molyneux Croome,1922 **Fifty Years of Sport at Oxford, Cambridge and the Great Public Schools** William Henry Grenfell Baron Desborough,1922 **The Primitive Methodist Magazine** ,1881 **Encyclopaedia Britannica** ,1929 **The Encyclopaedia Britannica** James Louis Garvin,Franklin Henry Hooper,Warren Earle Cox,1929 *The Encyclopaedia Britannica* ,1929 *The Encyclopaedia Britannica* James Louis Garvin,Franklin Henry Hooper,Warren E.
