efficiently and effectively to get the job done Dare the Impossible Like the Sayeret Mat kal the Israeli Special Ops unit that staged the miraculous raid on Entebbe to free hostages on an Air France plane hijacked by terrorists in 1976 successful business ops must aggressively seek out opportunities and know when to transcend conventional thinking to stage an assault and take action When they ve got the right problems to work on business commandos can do many times the work of normal employees accomplish more with less complete projects against looming deadlines and create innovative new products and strategies Secrets of Special Ops Leadership gives you the ammunition you need to get a business commando unit up and running and achieve the impossible for your organization
