Assessing Oral Strategic Competence of Young Language Learners Jun Wang, Yan Jin, 2024-11-11 This book presents an
empirical study that develops and validates a learning oriented self assessment instrument for assessing the strategic
competence SC of young language learners in oral communication specifically within the context of early English education
in China The instrument s development followed a multi phased research design encompassing three interconnected stages
conceptualisation operationalisation and validation Each phase employed distinct methods data collection techniques and
analyses tailored to specific research objectives By adopting an integrative approach this book clarifies the crucial yet elusive
concept of SC It not only contributes to the field of language assessment but also underscores the importance of explicit SC
instruction in language education for young learners Focusing on real world classroom scenarios and offering practical
solutions for integrating SC instruction into current teaching paradigms this book will appeal to educators researchers and

As a multifaceted and intermedial phenomenon poetry in the digital age not only demands a rethinking and expansion of the
traditional paradigms of literary studies but also attracts increasing attention from other humanities This interdisciplinary
handbook is thus addressed both to literary scholars and to the broadest academic audience interested in contemporary
poetry research It offers 50 contributions by an international collective of authors that highlight the diversity of
contemporary poetry examining it from a wide variety of complementing theoretical and methodological angles The
handbook focuses on contemporary modes of poetry presentation that are often located beyond the book e g on stages in
public spaces as multi as well as transmedia publications or on digital platforms Such intermedial poetic practices which may

supplement poetic language with elements borrowed from music visual art cinema or theater and performance are transforming the forms and functions of poetry It four parts thus 1 adapt established concepts and parameters of poetry research to the digital age 2 explore established genres and emerging formats 3 introduce interdisciplinary perspectives and new research fields and 4 engage in current debates [Catalog of Copyright Entries.
