than our culture today yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ In this six week study we will explore Paul s first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions whether in the workplace neighborhood school home social media community or church We ll discover that the answer is living and sharing the radical love of Jesus Christ and we ll unpack what this means and how we can live it out day by day The Participant Book includes five days of lessons for each week combining study of Scripture with personal reflection application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 25 30 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study s components
