

STUDY SKILLS

A vibrant, stylized illustration centered around the text 'STUDY SKILLS'. The background is a light blue grid with various geometric shapes and patterns. In the top right, there are overlapping sheets of paper with horizontal lines, a red pen, and a purple pencil. In the bottom left, a hand in a brown sweater holds a red pen, ready to write on a white sheet of paper. The overall aesthetic is clean, modern, and educational.

Secondary School Reading, Process, Program, Procedure Walter Hill,1979 Secondary School Reading presents carefully
thought out practical strategies for promoting the development of reading skills at the post elementary level Practical
applications are presented through their relationship to the theoretical conception of the total reading learning process as
they relate to the learner s needs Reading instruction in the secondary school is essentially different than elementary
instruction in the school The older young people have different needs and interests and utilize different cognitive strategies
This volume presents strategies for older learners which reflects a thorough knowledge of both reading and teaching as well
as many years of experience in teaching this level Secondary School Reading is a good blend of theoretical constructs and
practical application Its examples offer the teacher many ideas for learning activities Its appendices direct the reader to
many sources of information and teaching materials *Text to Note* Alex Adkins,1983
