The El Cholo Feeling Passes:

The El Cholo Feeling Passes Fredrick Barton, 1988-03 The El Cholo Feeling Passes is a funny and poignant tale of a young man's search for identity amidst the fervor of feminism and the shifting sex roles of the seventies Full of pain and sadness and often outrageously funny Chattanooga Times *The Astral Plane* Teresa Dovalpage, 2012-01-01 In her new compilation of short fiction *The Astral Plane Stories of Cuba the Southwest and Beyond* Teresa Dovalpage offers a diversity characters in the midst of decisions and transitions In the presence of South Indian Yogis New Mexican Santeros Afro Cuban Orishas Edgar Allen Poe The Beatles and La Llorona the author details moments in the lives of Cubans Nuevo Mexicanos and Anglo Americans The stories are sometimes comical and often tragic but always engaging In each one Dovalpage reminds us that any choice we make from deciding to leave the country to walking around the block to engaging in a conversation with a total stranger could become momentous In the blink of an eye the insignificant turns historic Although each story is self contained and can be read independently it is when they are read together that they are most affective unsettling comic and heartfelt Characters storylines and motifs reappear from one tale to the next informing and enriching each other While every story is distinct these protagonists who are from varied cultural and economic backgrounds share common struggles as they stumble in search for a way to escape or a place to land to live to be who they are There are no heroes in these stories but they are not villains either much like in everyday life Oddly that is what is most comforting for lack of a better word about *The Astral Plane Stories of Cuba the Southwest and Beyond* at least for this reader Dovalpage's characters exude an unapologetic normalcy in their flaws that even toothless false prophets calculating serial killers conniving prostitutes and scheming mothers in law become endearing in the end Carolina Caballero LatinoLA February 2 2012 The stories are thoroughly Cuban original delightful and unexpected In this cohesive collection Ms Dovalpage's prodigious talent takes us on a dazzling journey of high drama whimsical imagery nail biting suspense and laugh out loud hilarity Along the way she lays bare the reality of life in Cuba and totally debunks the myths of the Castro Revolution One favorite passage includes a lyrical evocative description of El Malec n that made me weep with longing for the sights sounds and smells of that drive a paragraph later I erupted in laughter at a character's offhand comment This savory collection is certain to become a favorite read highly recommended February 4 2012 Teresa Dovalpage's latest collection of short stories *The Astral Plane* features a set of stories where the characters have a tenuous connection to each other The stories showcase how the Cuban Hispanic diaspora spread with contacts with former relatives escapees via the rafts and with contacts with visitors and universities that can travel to Cuba with ease Thus stories take place partly in Cuba in Miami and in Albuquerque Throughout the tales the change brought about by Fidel Castro seep out in details about the way people live the food they eat the political pressures to conform the desire for US Cash and lifestyle and the turn to the Santeria religion Teresa Dovalpage constructs her stories with a heavy dose of metaphor that is artfully shared by taking a distant point of view and by carefully constructing her plots

The plots unfold in a chatty fashion where you learn about the people that surround a character their family their friends and their style of life Readers will enjoy the unusual mix of character types settings and plots that can introduce them to a politically strong minority population in the United States They make a potent case for democracy and capitalism Sheri Fresonke Harper *The Compulsive Reader* March 2012 *The Astral Plane* is the latest book by Cuban author Teresa Dovalpage Ziva Sahl describes the stories in Dovalpage s collection as thoroughly Cuban original delightful and unexpected I had the chance to read the book and can only say that *The Astral Plane* is another fine accomplishment by one of our most talented Latina writers these days Mayra Calvani *The Examiner* May 22 2012

Something in Common Ann Brewster Dobie,1991-03-01 The nineteen stories that this memorable collection comprises are a powerful testament to the continuing vitality of the literary tradition in Louisiana *Something in Common* includes work by such well known Louisiana writers as Walker Percy Ernest Gaines Shirley Ann Grau and Andr Dubus as well

as stories by younger writers whose reputations are still being established Together the stories provide a remarkable record of the vigor of fiction in Louisiana as the twentieth century draws to a close Though contemporary these stories are a result of the habit of telling tales that goes back to the earliest days of the state s history They come from writers who may now live in Maine or California but who remember that our stories become a mirror in which we can see ourselves and know who we are and where we have come from The stories have in common a fundamental belief in the power of the written word to define a particular place and time They testify to the rich culture of the past when Louisiana s ways set it apart and to present that is pulling the state to be part of social forces once foreign to its ways They reveal a society of several races and many histories with fading definitions of traditional roles and changing family patterns Additionally these stories depict the changes brought on by merging the old with the new They rehearse the familiar themes of good evil freedom and reality with a voice not heard in the Louisiana of the past To establish tradition they bring a fresh point of view Something in Common remembers the past shows us the present and points the way to the future
