**The Elijah Generation** Wade McHargue,2012-07-12 In an age of decadence degradation and despair God is calling forth an Elijah Generation Are you going to be a part of it The Elijah Generation is an opportunity for men to take a good hard honest look at their lives in light of the standard of God s Word Based on years of study and prayer into the lives of Elijah and John the Baptist this book draws attention to 30 godly attributes to pray into your life It is written to be practical After applying the truths presented are you ready to accept The Proposal at the end of the book It s time to lose our lives for Jesus sake that we can truly find them It s time to see What would happen if I gave myself completely over to God It s time Jesus receives all we can offer for the praise of His glory as we live in light of eternity *The Elijah Generation* Randall Billings,2005-06-01 Are you ready for revival in America We are living prophetically in a day when the need for true prophetic preaching and fire is greatly and urgently needed in our churches Many pastors have succumbed to worldly and fleshly entertaining methods to keep their crowds happy The church though has reached that level of spiritual decline that we refer to as the apostasy 2 Thessalonians 2 3 We talk about revival but any talk of revival if it is lacking true heart repentance and a hunger for the fruit of holiness is merely a deception or the end result of an emotional religious substitute denying any real move of God It is now time for America and the church to come back to the Lord Jesus Christ passionately and zealously That is why the church needs the prophetic ministry of Elijah because only the prophetic spiritual fire of God will produce a spirit of true repentance and heart surrender necessary for national revival As you read *The Elijah Generation* you will be spiritually challenged and encouraged to identify foundational truths concerning true revival in America and as well why we need the spirit of Elijah as never before in the history of our nation and churches Bio R J Billings has spent most of his twenty nine years of ministry as pastor and teacher living in and learning about God s lessons in the desert His ministry and writing style are patterned prophetically in the passionate revival fire of an Elijah or John the Baptist The church in America needs the restoration of a true prophetic voice that represents the heart of God not human traditions or dogmas of men R J Billings has traveled throughout Canada and the United States and has written three books *The Enoch Generation* *The Elijah Generation* and *The Glorious Church* He holds earned degrees from Northwest College B A and Trinity Theological Seminary M A and M Div R J Billings has been married to his wife Rachel for over twenty eight years and has four wonderful adult children that together serve as a continuous inspiration for his ministry and writing *The Elijah Generation* Wade McHargue,2013-04-15 In an age of decadence degradation and despair God is calling forth an Elijah Generation Are you going to be a part of it The Elijah Generation is an opportunity for men to take a good hard honest look at their lives in light of the standard of God s Word Based on years of study and prayer into the lives of Elijah and John the Baptist this book draws attention to 30 godly attributes to pray into your life It is written to be practical After applying the truths presented are you ready to accept The Proposal at the end of the book It s time to lose our lives for Jesus sake that we can truly find them It s

Reyes,2017-02-21 The Spirit and Power of Elijah is a map and a guide for those whose eyes are wide open to the crisis that faces us in our homes in our communities in our churches and in our families The Spirit Of Envy ,2013-09-30 The anointing blessings and success do not only attract friends admirers and allies but enemies as well They invite hostility from envious people who would do anything to disrupt your joy and sense of fulfilment The anointing does not attract harmless and beautiful butterflies but stinging and noisy bees It draws your way the attention of enemies who have the capacity to hurt you like bees It does not attract nice people to decorate you with praise and make you feel good This book is a timely tool in the hands of those who are obedient to God s will and are facing envy and opposition from the people around them Don t be surprised if doing the will of God produces envy in others Everybody will not applaud you for doing the right thing and for producing great results In this season of the Love Revolution you are likely to think that everyone loves you and take things for granted Walking in love but at the same time protecting yourself from the envy of those who seek to destroy you is a balance you must attain **The Ekklesia** Anthony Daley,2012-07-20 Today there is a lot of emphasis on building within Christianity We speak of building the kingdom and building the church neither of which are our responsibility The Father has given us the kingdom and Christ said He would build the church In the New Testament the word translated as church is Ekklesia In the days of Jesus Ekklesia was not used to define a religious gathering for expressing worship and learning about a deity The Ekklesia was a governing body in a region that assembled for the purpose of legislating the region initiating laws and declaring war It was an assembly of diverse citizenry who collaborated for the good of the region When Jesus said I will build my Ekklesia He had something different in mind than what we call the church today Join us in this book as we seek to find the definition of God s intention and allow the real church to stand up **American History** James P.
