**The Empty Room** Sarah Clemens, 2016-05-13 Rain soaked and dreary it was a 1901 abandoned Victorian that newlyweds Dean and Elizabeth Montgomery hoped would fulfill their dreams of a new start in life even if the town of Eastbrook Maine was nestled under a constant blanket of fog The first neighbor the couple meets dashes those hopes when he raises a bizarre question what happened to the last person who lived in their house A cryptic question but nothing to worry about At least not until the couple looked under the floorboards inside the house Under mounting pressure from the residents of Eastbrook to stop questioning the past Dean and Elizabeth are driven deeper into the history of the house the town and their neighbors When the couple discovers what happened in Eastbrook keeping the secret could save their lives but uncovering the truth might be worth the risk What happened inside The Empty Room is a mystery until the last page A gripping psychological suspense the story takes readers on a cat and mouse game where some secrets are better off hidden

*The Empty Room* Elizabeth DeVita-Raeburn, 2004 From the Publisher Ted is Elizabeth DeVita Raeburn's older brother best friend and the ringmaster of her days On a September morning when she is six she wakes up and Ted is gone Her parents explain that he went to the hospital for a while A while turns out to be eight years in a plastic bubble where he dies of a rare autoimmune disease at age seventeen The Empty Room is DeVita Raeburn's unflinching often haunting recollection of life with Ted woven into a larger exploration of the enormous and often unacknowledged impact of a sister's or brother's death on remaining siblings With an inspired blend of life experience journalistic acumen and research training DeVita Raeburn draws on interviews of more than two hundred survivors to render a powerful portrait of the range of conditions and emotions from withdrawal to guilt to rage that attend such loss Finding little in professional literature she realizes that those who suffer are the experts And in the end it is DeVita Raeburn and her experts who present a larger more complex understanding of the sibling bond the lifelong impact of the severing of that bond and the tools needed to heal and move forward The Empty Room is a fascinating literary hybrid in which Elizabeth DeVita Raeburn seamlessly fuses deeply affecting remembrance with a pragmatic lucidly written exploration of the healing journey [The Empty Room](#) Stacey

Miller, 2026-02-02 Some rooms should never be opened After the death of her son Anna Carter returns to her childhood home hoping silence will help her survive her grief Instead she finds something waiting A bedroom that won't stay empty A house that listens A presence that knows exactly what she's lost At first it offers comfort warmth quiet relief from the pain that's been tearing her apart But the longer Anna stays the more the house begins to change Time slips Memories bend The walls seem to breathe And the room upstairs grows larger than it should be hiding secrets that were never meant to be uncovered When Anna discovers what the house has been doing to those who came before her she realizes the truth too late The house doesn't haunt people It keeps them Now trapped inside a structure that feeds on grief and turns memory into architecture Anna must choose between the illusion of reunion and the terrifying cost of escape because some homes don't want residents

They want occupants The Empty Room is a slow burning psychological horror novel about loss isolation and the terrifying things that wait inside places we trust Blending supernatural dread with emotional intensity this story will stay with you long after the final page Perfect for fans of atmospheric horror haunted house stories and disturbing psychological thrillers

The Empty Room Reza Aliabadi,2021-04-15 Part aphorism and part manifesto this book by Canadian architect Reza Aliabadi RZLBD references his ideas and thoughts about space He suggests the empty room as the very essence of architecture and the spatial experience as its highest mandate Reza revisits architecture not as the walls that enclose the space rather the space in between the walls What he calls an anti architecture of invisible voids Today architecture has fallen short as a discipline and has instead converted into an industry part of commercial establishment Accordingly it has given up its capacity to offer contributions and has been reduced to being a service It has become all about a form making exercise and dressing it up with a fashionable skin Now it is necessary or rather urgent to pause take a moment go inward search for the essentials and hope to rediscover a principle which is at once basic and timeless **Shimmering Details, Volume II** Péter Nádas,2023-11-21 The magnum opus of one of Europe s greatest living writers In Shimmering Details Volume II Péter Nádas delves deeper into his and his parents lives during the tumultuous years spanning the rise of Hungarian communism in 1948 to the brutal suppression of the 1956 uprising Zeroing in on this critical period which overlapped with the formative years of his childhood Nádas concludes his monumental history of a family whose own experiences and fortunes are deeply intertwined with two centuries of Hungarian history This second volume is a composite portrait of life lived at the nexus of world historical forces a jewel like study that holds up different facets of the human experience to the light of Nádas s singular prose style What emerges is a memoir of unusual insight and exceptional power Hailed by Deborah Eisenberg as an extraordinary writer Nádas has confirmed his place among Europe s greatest living authors *The Sound of Our Steps* Ronit Matalon,2015-08-04 Gorgeously observed and emotionally powerful The Sound of Our Steps is an inventive novel of immigration and exile from Ronit Matalon a major voice in contemporary Israeli fiction In the beginning there was Lucette who is the mother to three children Sammy a gentle giant almost blind but a genius with locks Corinne a flighty beauty who cannot keep a job and the child an afterthought who strives to make sense of her fractured Egyptian Jewish immigrant family Lucette s children would like a kinder warmer home but what they have is a government issued concrete box out in the thorns and sand on the outskirts of Tel Aviv and their mother hard worn and hardscrabble who cleans homes by night and makes school lunches by day Lucette quarrels with everybody speaks only Arabic and French is scared only of snakes and is as likely to lock her children out as to take in a stray dog The child recounts her years in Lucette s house where Israel s wars do not intrude and hold no interest She puzzles at the mysteries of her home why Maurice her father a bitter revolutionary makes only rare appearances And why her mother rebuffs the kind rabbi whose home she cleans in his desire to adopt her Always watching the child comes to fill the holes with conjecture and story In a masterful accumulation of short dense scenes

by turns sensual violent and darkly humorous *The Sound of Our Steps* questions the virtue of a family bound only by necessity and suggests that displacement may not lead to a better life but perhaps to art
