Understanding Recognition Piotr Kulas,Andrzej Waśkiewicz,Stanisław Krawczyk,2022-08-08 As the concept of recognition shifts from philosophical theory to other fields of the humanities and social sciences this volume explores the nature of this border category that exists in the space between sociological and philosophical considerations related as it is to concepts such as status prestige the looking glass self respect and dignity at times being used interchangeably with these terms Bringing together work from across academic disciplines it presents theoretical conceptualizations of recognition demonstrates its operationalization in historical and literary research considers recognition as a fundamental problem of sociological theory and examines the concept as a marker of social distances and redistribution An examination and demonstration of the full potential of recognition as a category Understanding Recognition Conceptual and Empirical Studies explores the contemporary meanings and manifestations of recognition and sheds light on its capacity to complement the notions of status class or prestige As such it will appeal to scholars of sociology and social theory philosophy history and literary studies

Marvel Comics into Film Matthew J. McEniry,Robert Moses Peaslee,Robert G. Weiner,2016-04-05 Marvel Studios approach to its Cinematic Universe beginning with the release of Iron Man 2008 has become the template for successful management of blockbuster film properties Yet films featuring Marvel characters can be traced back to the 1940s when the Captain America serial first appeared on the screen This collection of new essays is the

first to explore the historical textual and cultural context of the larger cinematic Marvel universe including serials animated films television movies non U S versions of Marvel characters films that feature characters licensed by Marvel and the contemporary Cinematic Universe as conceived by Kevin Feige and Marvel Studios Films analyzed include Transformers 1986 Howard the Duck 1986 Blade 1998 Planet Hulk 2010 Iron Man Rise of Technovore 2013 Elektra 2005 the Conan the Barbarian franchise 1982 1990 Ultimate Avengers 2006 and Ghost Rider 2007 *New Approaches in Teaching History* Frederic Krome,2024-02-14 Science fiction literature and film are an underappreciated source for the teaching of history Finding material that can excite a student s curiosity can be a key towards greater student engagement especially among students who are taking history as a requirement rather than from interest The discovery that they can read or watch science fiction as part of their classwork often comes as a pleasant surprise Beyond its popularity however utilizing science fiction for class assignments has certain pedagogical advantages it introduces students to new vistas in historical thought helps them learn how literature and film can be applied as a primary source and can encourage participation in projects that are enjoyable Each chapter provides case studies focusing on a different subject in the modern history curriculum and in addition to providing an analysis of specific texts and or cinematic sources gives suggestions on assignments for the students
