To Be A Logger:

To Be a Logger Lois Lenski, 2015-10-13 A young boy growing up in the Oregon wilderness dreams of becoming a logger Little Joe has been sawing trees since he was 5 years old A child of the Oregon hills he spends his days scampering through the forest around his family s cabin Ever since he was old enough to hold an ax he s wanted to be a logger like his daddy He wants to wear boots with nails on them saw down the mightiest trees in the forest and holler Timber as they come crashing to the ground Little Joe has logging in his blood Finally Little Joe is old enough for his 1st visit to a logging camp He sees the great machines taking down trees and loading them onto trucks and he wants to be a logger more than ever But as he grows up he will find there are better ways to show his love for the forest than cutting it down

To be a Logger Lois Lenski, 1967 Joel son of an Oregon logger grows up in a family that sees the forest as a thing to be cut down but as he watches fire flood and cutting damage the forests he loves and realizes the dangers of his father s profession he is better able to select the right future for himself
