

Cry In Silence

**Decided in my early youth pain is good,
while I am crying sitting here, watching
everything very precious to me falling
apart, I am glad in my deepest mind,
rejoice in the opportunity to feel pain
again, I am much too successful in
evading pain, it should catch up with
me from time to time, I follow my list
of things not to do faithfully, it is only**

**by chance I cry about serious pain, I
gave up ambition to resign myself to
be the dunce at work, a spurned fool,
it is great practising to be impervious
to pain about things we cannot change
- so why does it hurt so much, the only
thing left is to cry in silence...**

**[The only thing i have accomplished
is to hide all evidence of experience
brilliant to save face]**
