A story of a near death experience and miraculous survival An eye opening look into the heavenly realm It will inspire you and build your faith Doug Addison author of Understand Your Dreams Now When a massive pileup on an Arizona highway caused Valerie Paters and her Jeep to be entombed beneath a semi truck in a blinding snowstorm it seemed certain that her life would soon end Once extracted from the mangled metal and suffering from massive injuries Valerie was hospitalized and placed on life support while doctors waited to harvest her organs But Valerie was more alive than she had ever been As she stood in the radiant presence of Jesus He wrapped her into Himself assuring her of His love and of the promise that heaven is only a breath away Heaven Is a Breath Away is a thrilling firsthand account of the home that awaits Christians when they draw their last breath here on earth With open arms Christ welcomes to heaven those who belong to Him Rarely has this vision been told in such exquisite detail It will undoubtedly comfort those who have lost loved ones or are near death themselves Heaven Is a Breath Away gives hope and encourages faith by sharing the heaven Jesus promised a real place
