**To the High Redoubt** Chelsea Quinn Yarbro,2014-04-01 To the High Redoubt is an engaging epic fantasy adventure written by the creator of the widely read series of novels about the immortal vampire known as Le Comte de Saint Germain In his quest for power Bundhi Lord of Darkness and stealer of souls has taken family vision and freedom from Surata the last surviving adept in tantric alchemy before selling her into slavery in a distant land But he has underestimated the depth of Surata s power and he could not foresee that destiny would bring her a champion Arkady soldier of fortune and destined hero As their mutual trust deepens and the wellspring of power from which Surata draws her magic is steadily revealed the two form an unbeatable force as they challenge their enemy in the very heart of his empire *Johnsonville* Jerry T.

Wooten,2019-08-19 This study of the importance of the little known Civil War battle is a well written thoroughly researched amply illustrated and engaging story Civil War Courier The name Johnsonville doesn t mean much to most students of the Civil War Its contribution to Union victory in the Western Theater however is difficult to overstate and its history is complex fascinating and until now mostly untold Now Jerry T Wooten Ph D a former Park Manager at Johnsonville State Historic Park has unearthed a wealth of new material that sheds light on the creation and strategic role of the Union supply depot the use of railroads and logistics and the depot s defense His study covers the emergence of a civilian town around the depot and the role all of this played in making possible the Union victories with which we are all familiar This sterling monograph also includes the best and most detailed account of the Battle of Johnsonville The fighting took place on the heels of one of the most audacious campaigns of the war when Confederate Maj Gen Nathan Bedford Forrest led his cavalry through western Tennessee and Kentucky on a 25 day campaign On November 4 5 1864 Forrest s troops attacked the depot and shelled the town destroying tons of valuable supplies The complex land water operation nearly wiped out the Johnsonville supply depot severely disrupted Gen George Thomas s army in Nashville and impeded his operations against John Bell Hood s Confederate army Prior works on Johnsonville focus on Forrest s operations but Wooten s deep original archival research reveals significantly more on that battle as well as what life was like in and around the area for both military men and civilians
