**Sir Henry John Newbolt, Charles
Hanbury-Williams**

To Wrestle With Demons:

Eyewitness Eugene M. Koon, 2015-01-20 Reporters John Robertson and Peter Stallings have been shot covering a hostage standoff at the bus station terminal. Later they wake up outside the wall of Heaven but they aren't dead. With a rare opportunity to interview angels, the reporters are shown God's plan for their lives. Satan, however, has other plans. Judy Metcalf and Amy Tuinstra have been taken hostage and eventually left for dead in the middle of nowhere. The refuge they find is short-lived as their captors return for them. Jack McDougal is determined to solve his first case as a detective, especially since it involves the woman he is dating. William Benning's world is crashing in. If he cannot resolve the situation, he may be the next one terminated.

Bodies Inhabiting the World Niels Henrik Gregersen, Derek R. Nelson, Bengt Kristensson Uggla, 2023-11-20

Bodies Inhabiting the World Scandinavian Creation Theology and the Question of Home offers a multidimensional investigation of how houses, bodies, communities, and the whole universe may be conceived and refigured as places where we belong, where we are at home in God's creation. In this way, revisiting the tradition of Scandinavian creation theology provides profound resources to make theological affirmations of God's omnipresence in the human condition we all share. The emergence here of an exciting new theological program can be recognized beyond the limitations of other contemporary agendas, cul de sacs, blind spots, and diffidence. What it is to have a home is a universal question closely connected to what it means to be human and to live a good, flourishing life. But the negative experiences of homelessness, broken homes, statelessness, and alienation always lurk in the background of the universal quest to find one's home in the world. This book contains fourteen essays exploring the dynamics of the human experience of finding, losing, and finding again a home.

How to Read the Bible (Without Switching Off Your Brain) Simon Taylor, 2015-09-17 This clear and practical approach will enable anyone to read the Bible better. Tackles the key questions that people ask about the Bible. Courteous and humorous style helps break through preconceptions. Explains all its references and indeed how the Bible is referred to. Suitable for individual use or in study or book groups. Bible reading for everyone that's what this book offers. It will speak to those who already read the Bible but find themselves asking why, and to those who don't read the Bible but would like to, if only it weren't so strange. It explains what the Bible offers, an overview of what is found in it, and addresses questions people ask, such as: Does science disprove the Bible? Why is there so much violence in the Bible? What does the Bible say about sex? The author also presents an account of reading the Bible in the context of a life of faith and suggests how the Bible might be integrated with a life of prayer.
