

Personnel Research and Change

What is research?

Research is a systematic and purposive investigation of facts with the object of determining cause and effect relationships among such facts.

What is personnel research?

According to *Michael J. Jucius*, **Personnel Research** is the task of searching for analyzing facts to the end and that personnel problem may be solved or that guideline governing. Personnel Research is an effective mean by which we can able to know all about the personnel. Through the personnel research, we know some very much important information which is essentially needed in providing data for making organizational decision so that the organization can achieve its goal.

General Types of Personnel Research

1. Basic or Exploratory

Intends merely to explore the research questions and does not intend to offer final and conclusive solutions to existing problems. This type of research is usually conducted to study a problem that has been clearly defined yet. Small amount of information is available about the topic but want to explore in details for better understanding of the problem and its solution.

The purpose of exploratory research

- To refine and understand the problem
- To know basic facts
- To generate new idea
- To develop the theories

2. Operational or applied research

-It is directed toward the solution of particular problems.

-Can be elaborate, expensive and carefully controlled.

-Analytical method of problem solving and decision making that is useful in the management of organizations. In operation research, problems are broken down into basic component and then solved in defined steps by mathematical analysis. It can be conducted by the business manager, social engineer or scientist.

The researchers:

1. Colleges and Universities

Are set up to operate in both pure or applied phases of personnel research. It is common to see bureaus of business research that engage in personnel projects as well as investigations in the other fields of business management.

2. Private research organizations

Using Personnel Research Introduction

In today's digital age, the availability of Using Personnel Research books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Using Personnel Research books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Using Personnel Research books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Using Personnel Research versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Using Personnel Research books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Using Personnel Research books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Using Personnel Research books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Using Personnel Research books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Using Personnel Research books and manuals for download and embark on your journey of knowledge?
