## **With Hope:**

**With Hope in My Heart** Francois Mai, 2022-11-07 Rarely do we see inside the life and mind of a psychiatrist but that is exactly what we get in *With Hope in My Heart: Musings of a Spirited Psychiatrist*. With candor and openness author Francois Mai shares how and why he ventured into psychiatry, the lure of academia, and his professional triumphs and troubles along the way. Educated in Apartheid era South Africa, Mai takes his clinical practice across five countries: South Africa, the United Kingdom, Australia, the US, and Canada. Inspired by his time and adventures in these places, as well as his greatest influences, psychiatrists William Sargant and George Engel, this memoir is for a diverse audience. Readers eager to learn more about the history of psychiatry and its contemporary problems will enjoy Mai's commentary and professional anecdotes. Lovers of religion and spirituality contextualized in a secular society will appreciate the ways these intersect with Mai's professional and personal lives. *With Hope in My Heart* is more than a psychiatrist's memoir; it's a deeply intimate look into the life of a man who endures the death of a brother who had life-long schizophrenia and himself had two life-threatening medical diagnoses. With themes of hope, Mai navigates readers through the tumultuous terrain of spirituality, morality, politics, life, and death.

**Expecting with Hope** Drake, Teske, 2014-08-21 A compassionate, thoughtful reminder of God's promises for joy and peace after loss: "You will keep in perfect peace those whose minds are steadfast because they trust in you." Isaiah 26:3. When 31 percent of pregnancies end in loss, it is no surprise that miscarriage, stillbirth, or infant loss brings great grief, nor is there a shortage of books addressing how to move through and past that sorrow. What is seldom considered, however, is that 85 percent of those women go on to become pregnant again, yet the complexity of emotions triggered by a pregnancy following loss is rarely addressed. With this book, Teske Drake challenges women to claim joy in the midst of grief when newly expecting and shows them just how to accomplish that. Centered on biblical promises like the one above and focused specifically around promises of peace, this book is a practical guide written by a mother who's been there. Drake acknowledges the torrent of anxiety that replaces the natural joy pregnancy can bring. She avoids painful clichés and works instead to unearth deeper truths. Her tone is gentle, caring, and compassionate, drawing women back to a place of peace and joy, both with God and with their current pregnancy. This ten-chapter book includes accompanying devotions, pregnancy prayers, personal anecdotes from other mothers who've experienced similar loss, and Pen the Promise journaling prompts to encourage personal application of the promises. Drake reveals how she constantly drives the reader back to Scripture, sharing not only promises given but promises fulfilled. Women are offered practical information as well as encouragement and inspiration. With *Expecting with Hope*, Drake provides a deeply needed space for expectant mothers to rediscover the joy and peace of pregnancy.

**Pressing on with Hope** Joyce Richards Case, 2014-09-30 *Dreams, Devotion, Deceptions, Disappointment*. Hope and Winn Prichard discover that God brings about His plan in surprising ways. Earthly angels, beggars, and even Howard Hughes help them in their quest to publish a newspaper during the Great Depression. From a riotous boomtown to a Texas

border town Winn s unwise decisions and unpredictable bouts of binge drinking keep Hope on edge In fear of losing Hope s love Winn covers his footprints on the path behind him with deception by omission With an ulterior motive Winn aids a stranger which results in the revival of an entire town While Hope stays with her hypercritical mother in law letters and prayers sustain them while Winn works to establish a newspaper The Prichards rely on faith as they press on to achieve what God has placed in their hearts
