Witnesses Of Christ:

Witnesses for Christ Nomikos Michael Vaporis,2000 This however is not simply a collection of hagiographic stories Here the Lives are retold in a fluid easy to read manner and set in an historical context to make them more accessible to the reader Also of great interest are the many translations of the dialogue between the Neomartyrs and the Ottoman judges kadi during the three interrogations that were mandated by Islamic law **BOOK JACKET** **Some Jewish Witnesses For Christ** Aaron Bernstein,2021-12-02 *Some Jewish Witnesses For Christ* by Aaron Bernstein Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format **Some Jewish Witnesses for Christ** Rev. A. Bernstein B.D., **I Know He Lives** Dennis Horne,2017-09 Learn what it s really like to serve as a special witness of Christ This authoritative volume reveals the real men behind the modern apostolic mantle focusing on fifteen deceased Apostles and sharing some of their personal trials weaknesses and challenges More important you ll learn about the remarkable spiritual experiences that allowed each one to personally testify of the Savior **Witnesses of Christ** Jerry Houck,2015 Biographical sketches of 82 men who have served in the Council of the Twelve Apostles of the Church of Jesus Christ of Latter day Saints *Some Jewish Witnesses for Christ (Annotated)* A. Bernstein,Rev A Bernstein B D,2013-12 The history of the Mission to the Jews is coeval with the history of the Christian Church The names of Christ s disciples mentioned in the Gospels are nearly all those of Jews and in the Epistles a great many of them are of Jewish converts But the general reader of the New Testament does not realize the fact because it was the fashion among the Jews at that time to assume Greek names For instance several of St Paul s relatives bearing Greek names became Christians but we should not know that they were Jews if the Apostle had not written Andronicus and Junia my kinsmen Again Lucius and Jason and Sosipater my kinsmen Rom xvi 7 and 21 Whilst where we have not this information with regard to other such names we take it for granted that they were Gentiles For instance Zenas mentioned in Titus iii 13 is naturally taken by the general reader for a Greek yet scholars maintain that he had formerly been a Jewish scribe or lawyer The aim of this work is to shew that God had at all times in the history of the Christian Church a considerable number of believing Israelites who after their conversion to Christianity rendered good service to their fellowmen and to the Church of Christ at large Out of this company of the remnant according to the election of grace only a very few comparatively have their names recorded in history The names of the great majority are written in the Book of Life alone But as in the prophet Ezekiel Noah Job and Daniel and as in the Epistle to the Hebrews the short list of the Old Testament saints are the representatives of a large number so may the converts mentioned in this book be considered as representatives of a vast number of their brethren who had the courage and the grace given them to take up

the cross and follow Jesus *The Five Witnesses of Salvation* ,2019-06-06 Have you ever wondered if people can truly know that they know if they are saved Is it possible to know for sure if a person is born again You see professing Christians living lives that look worse than most lost people and you wonder are they really saved or does the grace of God allow me to live any way I want without boundaries or responsibilities We know that people are quick to scream you are judging if we question a person s walk with God However if we are to know them by their fruit as our Lord Jesus Christ told us then there must me a measuring tool somewhere that allows us to examine our faith and the faith of others who confess Christ as Savior Well bless God there is and it is laid out completely within the Word of God There are five clear evidences or witnesses within Scriptures that offer proof that a person is genuinely a Christian *New Witness for God* Brigham Henry Roberts,1895

Whose Witnesses? Cheryl Arnold,2009-12 *Whose Witnesses* is a book that intends to expose the truth behind what the Jehovah s Witnesses teach This is not a book of exposition that refutes line by line what the Jehovah s Witnesses believe I thank the Lord that there are many of those available already Instead this book will show the reader that there is one main point that the Jehovah s Witnesses press harder than any other and it is a foundational doctrine of theirs It is this They insist that Jesus Christ is not God they deny His Deity All other doctrines of theirs are secondary This book will show how the Bible teaches that Jesus Christ is God and that there is no salvation apart from receiving this truth Jesus is the Son of God but the Word teaches us that He is also God the Son This is the gospel He taught of Himself and any other teaching is what the Word refers to as another gospel We pray that this book will be used to lead many into the loving arms of their God and Savior Jesus Christ by illuminating the glorious gospel He taught about Himself Cheryl lives in South Carolina with her husband Tim and their two children Garrett and Melanie She has a deep love for the Lord and His Word and desires that the body of Christ would be filled with the knowledge of God s will by His Spirit and through His Word so we can be light to a dark world
