Yellow Rain:

Yellow Rain Mai Der Vang, 2021-09-21 WINNER OF THE 2022 LENORE MARSHALL POETRY PRIZE FINALIST FOR THE 2022 PULITZER PRIZE IN POETRY FINALIST FOR THE 2022 PEN VOELCKER AWARD FOR POETRY COLLECTION FINALIST FOR THE 2021 LOS ANGELES TIMES BOOK PRIZE FOR POETRY A reinvestigation of chemical biological weapons dropped on the Hmong people in the fallout of the Vietnam War In this staggering work of documentary poetry and collage Mai Der Vang reopens a wrongdoing that deserves a new reckoning As the United States abandoned them at the end of the Vietnam War many Hmong refugees recounted stories of a mysterious substance that fell from planes during their escape from Laos starting in the mid 1970s This substance known as yellow rain caused severe illnesses and thousands of deaths These reports prompted an investigation into allegations that a chemical biological weapon had been used against the Hmong in breach of international treaties A Cold War scandal erupted wrapped in partisan debate around chemical arms development versus control And then to the world s astonishment American scientists argued that yellow rain was the feces of honeybees defecating en masse still held as the widely accepted explanation The truth of what happened to the Hmong to those who experienced and suffered yellow rain has been ignored and discredited Integrating archival research and declassified documents *Yellow Rain* calls out the erasure of a history the silencing of a people who at the time lacked the capacity and resources to defend and represent themselves In poems that sing and lament that contend and question Vang restores a vital narrative in danger of being lost and brilliantly explores what it means to have access to the truth and how marginalized groups are often forbidden that access *The Routledge Companion to Eco-poetics* Julia Fiedorczuk, Mary Newell, Bernard Quetchenbach, Orchid Tierney, 2023-09-29 *The Routledge Companion to Eco-poetics* offers comprehensive coverage of the vital and growing movement of eco-poetics This volume begins with a general introduction to the field followed by six sections Perspectives broad overviews engaging fields such as biosemiosis kinship praxis and philosophical approaches Experiments formal innovations developed by poets in response to planetary crises Earth and Water explorations of poetic entanglement with planetary chemical and biological systems Waste Toxicity Precarity poetics addressing the effects of pollution and climate change Environmental Justice and Activism examinations of poetry as an engine of political and cultural change Region and Place an international array of traditional and contemporary geographically focused responses to ecosystems and environmental conditions and Subjectivities Affects Sexualities investigations of gender ethnicity and race as they intersect with ecological concerns Each section includes an overview and summary addressing the specific essays in the section These previously unpublished essays represent a wide variety of nationalities backgrounds perspectives and critical approaches exploring the interdisciplinary field of eco-poetics Contributions from leading scholars working across the globe make *The Routledge Companion to Eco-poetics* a landmark textbook and reference for a variety of researchers and students A Search for "yellow Rain" in Laos Jacquelyn Chagnon, Roger Rumpf, 1983 **Selling**

Reagan's Foreign Policy N. Stephen Kane, 2018-03-15 This book examines President Reagan's and his administration's efforts to mobilize public and congressional support for seven of the president's controversial foreign policy initiatives. Each chapter deals with a distinct foreign policy issue but they each is related in one way or another to alleged threats to U.S. national security interests by the Soviet Union and its allies. When taken together these case studies clearly illustrate the book's larger thrust: a challenge to the conventional wisdom that Reagan was the indisputable Great Communicator. This book contests the accepted wisdom that Reagan was an exemplary and highly effective practitioner of the going public model of presidential communication and leadership; that the bargaining model was relatively unimportant during his administration; and that the so-called public diplomacy regime was a high value addition to the administration's public communication assets. The author employs an analytical approach to the historical record, draws on several academic disciplines, and grounds his arguments in extensive archival and empirical research. The book concludes that the public communication efforts of the Reagan administration in the field of foreign policy were neither exceptionally skillful nor notably successful; that the public diplomacy regime had more negative than positive impact; that the going public model had minimal utility in the president's efforts to sell his foreign policy initiatives; and that the executive bargaining model played a central role in Reagan's governing strategy and essentially defined his presidential leadership role in the area of foreign policy making. This study vividly demonstrates the enormous gap between the real word Reagan and the one that often exists in public mythology.
