Yesterdays Promise:

Yesterday's Promise Teresa Howard,2014-04-17 A Passionate Vision History professor Serena Brooks fears for her sanity She has moved back into her ancestral Virginia home only to be haunted by visions in which she is dressed like her great grandmother and being courted by a Confederate soldier What s unsettling is how those long ago images seem to feel more real each time she dreams them A Dream Come True In a time of age old chivalry Serena is engaged to a handsome Confederate officer Captain Logan Sheridan As the fires of Civil War consume the South a burning passion ignites between them But Serena feels there is too much distance between them Worse she could lose Logan forever unless she can find a way to keep their love as timeless as forever 100 000 Words *Yesterday's Promise* Mary Badger Wilson,1934 *Today's Embrace* Linda Lee Chaikin,2011-12-14 She gambled with her husband s trust At stake is everything Evy Varley s marriage to Rogan Chantry is all she had hoped it would be until she finds out that she is pregnant with a honeymoon baby Fearing that Rogan won t allow her to travel while she is expecting Evy plots to keep her pregnancy secret in order to accompany him to South Africa Her thoughts are not only for her husband but Evy is determined to travel to Bulawayo the new mission station of Dr Jakob van Buren the one man who can help Evy to finally clear her mother s name After she and Rogan set out to sea however Evy discovers that she has gone too far in her deceit and the damage to her marriage may be irreversible Matters only worsen in Africa where malaria murder and an African uprising all take their toll and where Rogan and Evy must fight not only for their love but also for their very lives *Yesterday Again* Delia Latham,2023-11-07 A whirlwind romance amidst the natural splendor of Yosemite National Park A spur of the moment wedding A young bride who awakens the morning after to find her new husband gone with the mountain wind Songbird Vanna Taylor supports the child born of that ill fated union by singing in a dinner lounge Her dream of someday owning the elite establishment and turning it into a venue more suited to her Christian values is shattered when an unexpected transaction places it in the hands of Grant Holman the handsome biker who abandoned her in their honeymoon suite Ensuing sparks fly high revealing buried secrets and forgotten pasts Seeking to find peace Vanna returns to Yosemite only to have Grant show up hard on her heels Back where it all began she finds herself in danger of losing her heart yet again to the man who shattered it the first time around

Becoming a Self David L. Thompson,2024-02-02 What makes us persons Is it our bodies our minds or our consciousness For centuries philosophers have sought to answer these questions While some believe humans are physical or biological in both mind and body others claim we have an immaterial soul Author and philosopher David L Thompson proposes a new alternative Based on evolutionary biology and philosophy *Becoming a Self The Past Present and Future of Selfhood* explores the development of the human self Thompson theorizes that our selves formed through connections and commitments to others when early hominins lived in tribal groups and developed languages As humans learned to fulfill these commitments they not only cultivated relationships but also created their personal identities Their habits of responsibility established their

characters and therefore their reputations within their communities This naturalistic approach proposes that a self is defined by the history of its commitments to cultural and personal norms While brain processes are required the self is not some internal private mind but primarily a role within its community As technology advances selfhood could in the future be enabled by electronic quantum or other non biological means So if a self is formed through norms could artificial intelligence evolve to have self identity Thought provoking and timely Becoming a Self shows how investigating the past can help us understand our present status and illuminate our future *Laquerre* Ambrose Elliott Gonzales,1924 **Yesterday, Today, and Forever** Eugene Luning,2020-05-13 God has Bound Himself to You While every Christian is familiar with the Bible s promises few have plumbed the depths of Scripture to uncover those vows spoken by God Himself promises where the first person Speaker is a Member of the Trinity These promises are singular and distinct Their words are declarations of Divine covenant **Yesterday's Promises** Hope Goodwin,1987 *This American Moment:Thoughts on the American Condition* M.
