Yesterdays Cleveland:

Lost Cleveland Michael DeAloia,2010-11-26 *Lost Cleveland* is an engrossing excursion into the city's rarefied architectural air during its heyday as the sixth largest city in the country. Author Michael DeAloia recounts the histories of seven culturally significant and iconic architectural gems that defined Cleveland's position of wealth and importance during the industrial age. Inspired by noble visions of Cleveland's most elite residents, these structures reflect the vigor and imagination that suffused city leaders. From Severance Hall, still home to the Cleveland Orchestra and the only structure in this collection that remains standing, to Andrew's Folly, the grandest house built on legendary Millionaire's Row, *Lost Cleveland* provides a revealing historical retrospective on the growth, development, and ultimate decline of the North Coast's greatest city.

Dino Nick Tosches,1999-04-13 From dealing blackjack in the small-time gangster town of Steubenville, Ohio, to carousing with the famous Rat Pack in a Hollywood he called home, Dean Martin lived in a grandstand, guttering life of booze, broads, and big money. He rubbed shoulders with the mob, the Kennedys, and Hollywood's biggest stars. He was one of America's favorite entertainers. But no one really knew him. Now Nick Tosches reveals the man behind the image, the dark side of the American dream. It's a wild, illuminating, sometimes shocking tale of sex, ambition, heartaches, and a life lived hard, fast, and without apologies.

Legendary Locals of Cleveland Thea Gallo Becker,2012 In 1796, when Gen. Moses Cleaveland founded the settlement on Lake Erie's shores that would become the city of Cleveland, he opened the way for many dynamic, visionary, and diverse individuals who would not only help Cleveland prosper as one of the greatest cities in the Midwest but also give the city its unique character. Mobster Danny Greene's fate was sealed by a car bomb, and his life was later immortalized in film. Vernon Stouffer helped revolutionize the frozen food industry and the way Americans eat. Almeda Adams refused to let her disability keep her from making contributions in education and music. And Zelma Watson George found success in theater and later politics as a goodwill ambassador and a delegate to the United Nations. *Legendary Locals of Cleveland* chronicles the fascinating stories of citizens who have impacted the city in political, social, philanthropic, business, educational, scientific, medical, entertainment, and even criminal areas.
