Rāja Yoga Swami Vivekananda,1920 Do Your Om Thing Rebecca Pacheco,2015-03-03 Yoga Meet Life Sometimes an hour long yoga class is the only chance we get to connect meaningfully with our bodies and our minds during a week otherwise full of work family and the daily grind Have you ever wondered how would it feel to bring that experience of awareness and calm out of the yoga studio and into your everyday life After all we know that practicing yoga can give us a leaner body and more sculpted limbs but isn t its most important benefit the way it makes us feel In Do Your Om Thing master yoga teacher and creator of the popular blog OmGal com Rebecca Pacheco shows us that the true practice of yoga is about much more than achieving the perfect headstand or withstanding an hour long class in a room heated to 100 degrees Yoga is not about performance she tells us it s about practice on your mat and in your life If you want to get better at anything what should you do Practice Confidence compassion awareness joy if you want more of these and who doesn t yoga offers the skills to practice them In her warm personal and often hilarious prose Rebecca translates yogic philosophy for its twenty first century devotees making ancient principles and philosophy feel accessible relatable and genuinely rooted in the world in which we live today And by illuminating how the guiding principles of yoga apply to our modern lives Rebecca shows

us that the true power of a yoga practice is not physical transformation but mental and spiritual liberation An
