

The image displays the Bordio web application interface, which is a Kanban-style project management tool. The main workspace is divided into four columns: 'To Do', 'In Progress', 'Done', and 'Waiting list'. Each column contains several task cards with titles, descriptions, and due dates. For example, in the 'To Do' column, there are tasks like 'Review the design' and 'Finalize the content'. The 'In Progress' column has tasks such as 'Develop the front-end' and 'Test the application'. The 'Done' column shows completed tasks like 'Deploy the application' and 'Gather user feedback'. The 'Waiting list' column contains tasks that are not yet started, such as 'Implement advanced search' and 'Optimize the database'. A smartphone in the foreground shows the mobile app version of the interface, which includes a calendar view at the top and a list of tasks below. The mobile app interface is clean and user-friendly, with a dark theme and clear typography. The Bordio logo is visible in the top left corner of the web interface, and the user's profile picture is in the top right corner.
