Somali Cats Nancy Furstinger,2006-08-15 An introduction to the origins physical characteristics and behavior of the Somali cat with information on the choosing and care of a Somali cat

Raising a Somali Cat Larry Herman,2024-05-03

The Somali cat is a long haired breed that has its origins in the Abyssinian cat Presented below is a concise account of the historical background of Somali cats

Origin The history of the Somali cat may be traced back to the 1950s when breeders first observed the presence of long haired kittens in litters of Abyssinian cats The initial long haired Abyssinian cat named Raby Chuffa of Selene was born in 1953 in the United Kingdom

Acknowledgment Initially the presence of Abyssinians with long hair was not widely embraced and their existence was mainly disregarded Nevertheless certain breeders recognized the inherent qualities of these cats and embarked on a mission to formally establish them as a unique breed

Breed Development During the 1960s breeders engaged in selective breeding of long haired Abyssinians to preserve the breed s distinctive traits while encouraging the growth of a longer coat The outcome was the creation of the Somali cat named after the country Somalia which lies in close proximity to Abyssinia modern day Ethiopia the birthplace of the Abyssinian breed

The Somali cat was officially acknowledged and accepted by cat societies throughout the 1970s The International Cat Association TICA granted official recognition to it in 1979 and subsequently other prominent cat registries followed suit

Somali cats are characterized by their distinctive features which include a voluminous tail a coat with ticking patterns resembling the Abyssinian breed prominent almond shaped eyes and ears adorned with tufts of hair They are available in a range of colors such as ruddy red blue and fawn

Personality Somali cats are distinguished for their lively and energetic disposition They possess high levels of intelligence exhibit sociable behavior and frequently establish robust connections with their owners They derive pleasure from engaging in interactive play and have a tendency to express themselves vocally

Popularity Somali cats have experienced a surge in popularity as domesticated pets throughout the years Due to their distinctive appearance and amiable personalities they are highly favored by cat fans

Currently Somali cats are acknowledged and valued in the realm of cat enthusiasts actively taking part in several cat exhibitions and contests They are still highly valued as affectionate and energetic companions worldwide

Abyssinian cat - Somali cat Le Chat Noir, The Abyssinian cat is one of the oldest feline breeds Defined for its movements like the miniature puma it attracts the gattophiles of the whole world with its elegant aesthetic harmony It is

among the ten most widespread in the United States and among the five in North America while in Europe and in Italy it is less widespread The Abyssinians are cats of medium build short haired with an elegant posture and strong individuality The coat has an intense color and the ticking is clearly visible every single hair has a base color interrupted by two or three bands of darker pigment and always ends with the dark tip Its particular physical characteristics make it the fastest and most agile cat among all feline breeds Since the Abyssinians are carriers of the gene responsible for the long hair it is always possible that in a litter there are some semi longhair kitten Somalo It can reach even 18 20 years of age The Somali cat is the medium long hair variant of the Abyssinian from which it differs only for the length of the hair since the two breed standards correspond Somali is a combination of beauty and personality The first thing that catches our attention is the beauty and uniqueness of the Somali The semi long coat of Somali is soft and airy the coat has an extraordinary color it almost seems to have a mane The eyes are amber colored the big ears the long mustache and the fluent and vaporous tail always worn with a plume it looks like that of a squirrel Warning Somali can be addictive Once you ve had one you may find that no other cat can ever replace it
