## **Some Paradoxes Of Paul:**

Some Paradoxes of Paul Edmund B. Keller, 1960      **A New Identity of Obligation: Metaphors and Paul's Ethical Argument in Romans 6:1-14** Andrés D. Vera, 2025-06-19 In Romans 6 1 14 Paul corrects an erroneous ethical conclusion drawn from the narrative of God's grace in Romans 3 5 This innovative study employs tools from cognitive linguistics to unveil Paul's sophisticated rhetorical strategy for resolving the indicative imperative tension By moving beyond traditional theological frameworks the book shows how Paul presents believers new identity as defined by a new obligation illuminating the metaphorical narrative that undergirds Paul's logic Readers will better understand the importance of conceptual spaces like in sin and in Christ and how Paul conceptualizes the relationship between believers and their old selves who have been crucified      **Moral Paradoxes of St. Paul** William Lonsdale Watkinson, 1913      Dictionary of Paul and His Letters

InterVarsity Press, 2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume's breadth and usefulness for scholars pastors and students today

**The Paradox of the Cross in the Thought of St Paul** Anthony Hanson, 1987-09-01 This book has its starting point in the paradoxical descriptions Paul often gives of his own ministry Why does he seem impelled to use paradox And why do these depictions of his ministry seem so close to his language about the atoning work of Christ In answering these questions Professor Hanson argues that Paul has largely transferred to the apostolic ministers the character of the citizens of the kingdom which he knew from his acquaintance with the teaching of Jesus In an important extension to the main argument Professor Hanson examines how the theme of the paradox of the cross fared at the hands of Paul's immediate successors up to the time of Ignatius of Antioch and asks how far Paul's depiction of the apostolic ministry can throw light on questions of ministry today      **Exploring Theological Paradoxes** Cyril Orji, 2022-08-31 This book focuses on the question of theological paradox exploring what it means and its place in theological method from a Christian perspective Just as paradoxes are unavoidable in logic and mathematics paradoxes are inevitable in religious and theological discourses The chapters in this volume examine a number of cases including the Red Heifer paradox the liar paradox and the paradox of omnipotence and attention is given to Christian doctrines such as the Trinity and the Incarnation Arguing for a renewed understanding and appreciation of the role of paradox this study will be of interest to scholars of theology and the philosophy of religion

**Paul and Virginia** Bernardin de Saint-Pierre, 1880      **Pauline Paradoxes; Or, Some Illogical and Paradoxical Aspects of Paul's Thought** Frank Wesley Clelland, 1932      Relatively and Philosophically Earnest Festschrift in honor of Paul Ernest's 65th Birthday Simon Goodchild, 2009-09-03 Paul Ernest's contributions to mathematics education particularly social constructivism have shaped theory development His research spans the philosophy of mathematics ethics and values in education This Festschrift celebrates his 65th birthday with contributions from global scholars in mathematics and

philosophy The Living Paul Anthony C. Thiselton, 2011-09-13 Anthony Thiselton is an unabashed admirer of Paul a student of his letters and a devotee of his gospel Over a range of issues Thiselton cleans the lens and sharpens the focus to give us snapshots of Paul s life mission and thought Whatever your level of knowledge and experience of Paul you will find The Living Paul informative and interesting nuanced and inspiring **Justification and Variegated Nomism** D. A. Carson, Peter Thomas O'Brien, Mark A. Seifrid, 2001 A comprehension of Paul s understanding of the law and justification has been a perennial problem for historians and theologians The need for further clarity has given rise to this collection of essays by an international list of esteemed scholars who seek in the first of two volumes to illuminate the complexities of the Judaism of Jesus and Paul s day Was it a legalistic religion that taught one could be justified before God by obeying law Was it even one religion or was it a collection of traditions with some similarities and many dissimilarities A second volume is forthcoming which will further this discussion among scholars through an evaluation of the paradoxes of Paul

*Justification and variegated nomism* Donald Arthur Carson, Peter Thomas O'Brien, Mark A.
