Somebodys Baby:

Somebody's Baby Tara Taylor Quinn,2010-05-15 Caroline Prater A lost twin A widow A pregnant woman When she discovers she has a twin living in an Arizona town called Shelter Valley Caroline Prater decides to go there Pregnant and a widow she leaves her Kentucky hometown and drives west She ll try to connect with her twin sister Phyllis Sheffield And she ll seek out John Strickland the father of her baby if only to let him know John is a well known architect a still grieving widower who s settled in Shelter Valley He and Caroline met six weeks earlier when he traveled to Kentucky Caroline s waiting for the right moment to approach Phyllis unsure whether her unsuspecting twin will welcome her presence And she develops a deeper relationship with John but that s just for the baby s sake Or is it *Somebody's Baby* Charlotte Vale Allen,2004 On her deathbed a woman reveals to her daughter that she is not her biological mother that the daughter was kidnaped at birth The woman explains why and how she did it and leaves the daughter money which the daughter uses to find her biological parents By the author of *Leftover Dreams* *Debris* Madge Morris,1881 **Somebody's Child** Dennis A. Williams,1997 The story of an estranged black family in 1970s Boston brought together by racism They were divided until the daughter became the object of an attempted rape by white students during a prom *Call out the Dolphins* Chris S. Buckley,2020-01-13 This book is likened to a department store elevator wherein you are the operator Twenty three floors on which to stop to browse and you with all the time in the world Wherever shall you begin The beginning is always a good place to begin Our beginning concerns a gullible youth s first encounter with religious idiocy Perhaps you re more in the mood to find out how a chicken or chickens can bring about far reaching affirmations Consider a brief stopover for some truth in advertising The class of 68 fraught with its political assassinations demonstrations and opportunism may amuse you Or maybe the continuing adventures of a sperm donor Just a few floors up is procrastination justified at long last Something for everyone from burning pictures to the freedom of the road for the less inhibited there s even an adult fairy tale The door slides open again finds you face to face with Louise May and Memphis Minnie Did those two ever really meet Eventually as you race toward the clouds you may discover the connection between dolphins and world peace Have a safe ride though do be wary the emergency stop button not unlike your neighborhood s posted speed limit is for amusement only
