A NOVEL

VI KEELAND

Someone Knows

Thomas Griffiths

Someone Knows:

Someone Knows Vi Keeland, 2025-06-17 An English professor's deadly past comes back to haunt her in this chilling and sexy thriller from #1 New York Times bestselling author Vi Keeland. As a college English professor, Elizabeth looks forward to the start of each new semester teaching her creative writing seminar. At least until she reads chapter one of *The Reckoning*, a tale about a high school senior who has an affair with her teacher. To anyone else, it would be the beginning of a great page-turner, but to Elizabeth, it is the beginning of the end. She knows this story. It's all familiar because she lived it. The girl in the story was her best friend, Jocelyn, and Elizabeth knows exactly how the story will end: with the professor dead. Because she was the one who killed him, Elizabeth knows what she did twenty years ago, and her secret is about to be exposed. But who is the mystery student submitting the chapters? In an effort to find out, Elizabeth returns to her Louisiana hometown where it soon becomes clear that no matter how many years have gone by, she can't escape her past.

Someone Knows Vi Keeland, 2025-06-17 From the #1 New York Times and TikTok bestselling author Vi Keeland comes a twisty and addictive thriller. As a college English professor, Elizabeth looks forward to the start of each new semester teaching her creative writing seminar. At least until she reads chapter one of *The Reckoning*, a tale about a high school senior who has an affair with her teacher. To anyone else, it would be the beginning of a great page-turner, but to Elizabeth, it is the beginning of the end. She knows this story. It's all familiar because she lived it. The girl in the story was her best friend, Jocelyn, and Elizabeth knows exactly how the story will end: with the professor dead. Because she was the one who killed him, Elizabeth knows what she did twenty years ago, and her secret is about to be exposed. But who is the mystery student submitting the chapters? In an effort to find out, Elizabeth returns to her Louisiana hometown where it soon becomes clear that no matter how many years have gone by, she can't escape her past. What readers and authors love about Vi Keeland's thrillers: Keeland keeps the twists coming hard and fast, and few readers will be able to predict them. Publishers Weekly: *The Unraveling* weaves a delicious web of grief, sex, and obsession that will leave you guessing until the very end. Elle Kennedy, New York Times bestselling author: *I loved it. Wow, that ending. A sizzling ride down a dark path with a twist that you won't see coming.* Sarina Bowen, USA Today bestselling author: *It's not often that a thriller leaves me speechless; the story is seductive in a forbidden way, sexy, dark, and alluring.* **READER REVIEW:** *I've read some really good books lately, but it's been a while since I came across one that grabbed me by the scruff of the neck and wouldn't let me go. I could've stayed up all night reading.* **READER REVIEW:** *This book is the perfect cure for any reading slump. It's intense, emotional, and twisted in all the right ways.* **READER REVIEW:** *5 glorious stars because that's the highest option, but this is one of those novels that deserves more.* **READER REVIEW:** *This Is the Way It Is from the Heart* Paul Pattinson, 2016-12-22 About the Book: *This is the way it is from the Heart is all my poetry from 1992 till present day. The poems relate to sadness, trauma, humour, everyday life, relationships, dark side, Environment, and Mother Nature. Something within my book could relate to you, the reader. I have experienced some of*

the poems within this book You should enjoy reading it may make you cry or laugh but you will enjoy reading Paul Pattinson

Interdisciplinary Studies in Pragmatics, Culture and Society Alessandro Capone, Jacob L. Mey, 2015-07-31 This volume is part of the series Pragmatics Philosophy and Psychology edited for Springer by Alessandro Capone It is intended for an audience of undergraduate and graduate students as well as postgraduate and advanced researchers This volume focuses on societal pragmatics One of the main concerns of societal pragmatics is the world of language users We are interested in the investigation of linguistic practices in the context of societal practices praxis to use a term used in the Wittgensteinian and other traditions It is clear that the world of users including their practices their culture and their social aims has to be taken into account and seriously investigated when we deal with the pragmatics of language It is not enough to discuss principles of language use solely in the guise of abstract theoretical tools Consequently the present volume focuses explicitly on the interplay of abstract theoretical principles and the necessities imposed by societal contexts often requiring a more flexible use of such theoretical tools The volume includes articles on pragmatics politeness and anti politeness dialogue joint utterances discourse markers pragmatics and the law institutional discourse critical discourse analysis pragmatics and culture cultural scripts argumentation theory connectives and argumentation language games and psychotherapy slurs the analysis of funerary rites as well as an authoritative chapter by Jacob L Mey on societal pragmatics **God: A brief**

philosophical introduction V K.H.A. Esmail, 2025-08-05 This is a clear and concise and original investigation of God s nature and existence First of all it considers among other things two of God s traditional properties being all knowing and being all powerful It argues he cannot possess these properties But it argues this is in accord with him being worthy of worship Secondly it introduces the notion of evil being overridden It argues he has to bring about other free living things and it is plausible they have to be liable to experience evil due to their conditions But it argues the evil in this world is overridden Thirdly it considers the principal arguments for the claim he does not exist They refer to the evil in the world It argues they do not establish sufficient grounds for this claim Finally it considers some well known arguments for the claim he exists It argues they face difficulties It sets out other arguments eg some arguments to increase any degree of belief one has that God can exist It includes a number of Appendices Some remarks on God s sovereignty Are there sufficient grounds for the claim that very probably God does not exist Theodicy and some theodicies Some further remarks on God and time Some further remarks on a living thing which possesses the power to do this or that freely Some remarks on God being simple Some remarks on God being present in a spatial realm and God being present in a non spatial realm It covers as a whole the principal parts of the Philosophy of Religion It unifies these parts to a significant degree It proceeds regularly by way of formal and clear arguments It will be of interest to advanced students and specialists in Philosophy Religious Studies and Theology Given its explanation of key terms its jargon free language its clarity and brevity it will be of interest to others too
